الصَّلَاةُ وَالسَّلَامُ عَلَيْكَ يَا رَسُولَ اللَّهِ وَعَلَى آلِكَ وَالصَّحَابِ يَا حَبِيبَ اللَّهِ

اعوذ بالله من الشَّيْطَانِ الرَّجِيمِ
بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

اسلَام عليكم ورحمة الله وبركاته

First would like to greet all Muslims around the world, may a New Islamic Year 1440 Hijri be very pleasant and blissful. After greetings, would definitely remember our beloved companions (رضى الله عنهم), whom had lost their precious lives during first Month of Islamic Year, and one revivalist of 11th Islamic Century, born in Muharram [محرم الحرام].

Second Righteous Caliph Hudhrat Umar al-Farooq al-Azam (رضى الله عنه)

Grandson of Sidna Muhammed Rasool Allah (صلى الله عليه وسلم)

For more Poems [تشديد/كلام], being read awesomely and classically, please visit Faqeer's Official Social Network Page, Zikr Collection. جزاك الله

Url: <https://plus.google.com/collection/YnR-rB>

Imam Abd'al-Haqq Bukhari al-Hanafi al-Qadiri al-Naqshbandi (قدس سره العزيز)

Url: https://www.youtube.com/watch?v=B2_sxO-iF9I

Note: It is not too late, wishing New Islamic Year. Second, Remembrances [تسبيحات] are given to kept your tongue filled with Zikrullah; whereas their mentioned quantity for recitation is aligned with situation of that respected tenure [from previous to latest], otherwise whatsoever advised by Mashaikh, can be practice either by leaving ours.

Well, like to express that due to some reasons, transformation work was halted, which has been now continued, and in evidence (or say for satisfaction), presenting partially transformed al-Maktubat al-Nurriyah vol.2, along with addition of mail with supplement filling index space which has completed our second volume at last; already being commenced manuscript. الحمد لله

Url: <https://www.scribd.com/document/313946764/Al-Maktubat-Al-Nuriyyah-vol-2-Updated-English>

Second, there were some composing mistakes being found, when transformation work was under progress, at vol.1, which has been now nearly rectified, and only few pages were left now, between pg.165-pg.180[a], which will be finalized, [انشاء الله], and then rendered to all in week(s) from Publisher's Account; has added some notes either for more and better understanding at some places, whereas removed unnecessary lines and words too, which is not disturbing the subject nor our depiction from stance, contrary improving the illustrations further.

Third, few mistakes being found at our newly published work "Qasaid al-Gharbiyyah[قصائد الغريبية]" later; after last publishing, hence has been also rectified and it will be available soon via Publisher's Account as soon as under progress two more Poems[قصائد], one in English and another in Urdu, will be completed. However rectified version can be seen (read), or even could download at previous version from following link.

Url: <https://www.scribd.com/document/385996024/Qasaid-al-Gharbiyyah-4th-Edition-Urdu-English>

Hence, like to expresses regarding efforts, "... Faqeer's purpose is not to wasting anyone's time, as all are very busy nowadays because achieving or going to achieve a milestones (crossing or soon crossed all barriers), whether just sitting at home and cooking food in dreams or real etc, but even then expressed, "We have no time or No Time For This etc.", whereas in real has to say that "Sorry I Can't manage my time" because first one is or could be a lie (possibility present), that you possessed but just wanted to ignore, so present excuse properly, extracted from Shaykh Hamza Yousuf Hanson (حفظ الله تعالى) quote; well we have time for dance parties[ناچ گانا], fun gala[بہ گلم], bombastic[دھوم دھڑکا], shopping, picnicking etc., but when it comes about learning something useful, especially about religion, express simply "SORRY", ... Idiots. Second, It wouldn't hurt Faqeer's feeling, if efforts (our) being taken as burden or not beneficial etc hence being deleted, because not practicing the policy of enforcement because to whom(services are rendering) being doing knows, hence hopeful will be accepted too, these broken words partially(leftover in between) illuminated. Third, this is our textual side, not physically side, however if acquired, though not desiring and love to be away, to comes at the ground then will shows you how to fight and get success in colossal battle* from all aspects; eager(if being granted honor) but not sure (could be any one else), that is matter of FATE, at which shall remained quite. ..." Allah knows all the best

[*] Stanza:

خودی کو کر بلند اتنا کہ ہر تقدیر سے پہلے - خدا بندے سے خود پوچھے بتا تیری رضا کیا ہے

[Eng. Trans.: Develop the self so that before every decree | Allah will ascertain from you:
"What is your wish?"]

FURTHER POINTS

Our work is impartial, or can say “نیم حکیم – خطرہ جان”, however will going to complete it in upcoming work (Second Book), being slowly progressing as feeling no worries nor some expectable are going to happened near tomorrow or even say future; has expressed many times, not left deliberately, but for looking Knowledgeable[علماء] response through their works, however if they did and Faqeer Bukhari(غفرلہ) wouldn't knows that please do regret.

Second, has illuminated a small indication[من الطائف], about Genghis Khan, for chopping kids into two, for changing diapers, well not joking without reference, being heard from one Social Circle Member, an Engineering Professor, and by nature DERVISH. He told Faqeer Bukhari(غفرلہ) at one dinner, that “... once a associate member asked from Genghis Khan, would you ever did any good deed (or do you remember), he replied yes, has saved a drowning kid in waters (lake), from tip of my sword ...”

Third, recently a hurricane, called Florence, has strike Eastern Coasts of U.S, being said larger than previous, meant record breaking[was very disastrous; colossal] of all previous, has caused severe damages to lives[44 casualties] and property[estimated US\$1.2 Billion]; if a Wali'ullah(ولی اللہ) wouldn't expressed his spiritual intuition to Faqeer Bukhari(غفرلہ), at which has advised him to read some Tasbihaat[تسبیحات], which he read during a blessed gathering[محفل میلاد شریف], then it might be more disastrous[refraining from revealing the exact damage, that has been ordered], hence the most merciful happening is that, a news came next day after expressing his intuition, that its intensity[strength] has been broken and would not going to strike as before, whereas thundering and showering was obvious[hence has happened]. Well, when Fuqarah[فقراء] can strike from being living in Karachi to Eastern Coasts of U.S, then you can measure about any area, far or nearby areas, especially Islamabad[:)], though left it due to matter of FATE(or say restrictions), where fragile and tiny authority try to get their foot stabilized. Well He[Waliullah(ولی اللہ)]; revealed his name later] is Faqeer right hand, whenever feels problems just advice him, and then matter got usually resolved, however Faqeer is also a good person, hence will try do best to read the Tasbihaat[تسبیحات], not a bad guy which usually distribute work(burden) to Awliyah Allah[اولیاء اللہ], and then just sit back calmly. Allah knows all the best.

Note: Not taking any sort of credits upon our shoulders, contrary just revealing or expressing effort, fi'Sabilillah[فی سبیل اللہ]. Impeding here for while, and discuss it some other time.

قوت عشق سے ہر پست کو بالا کر دے – دہر میں اسم محمد (صلی اللہ علیہ وسلم) سے اجالا کر دے

Dahr Main Isme Muhammed Sey Ujala Kerde

[Eng. Trans.: Raise you, through Love, all humble to greatness and to fame |

Enlighten you the groping world with dear Muhammad's Name.]

(علامہ اقبال)

Second, about Respected Dr.Afiya Siddiqui(May Allah Grant Her Relief From Detention), so not familiar contrary perplexed thus acquired silence, however through Knowledgeable[علماء] has been cleared, therefore physical and spiritual counseling is required, meant read following Tasbihaat[تسبيحات], shall started from 12th Muharram[محرم الحرام] till 22nd Safar[صفر المظفر], 40Days, especially forward it to detainee family[females member should read must], whereas authorities should send a high level delegation to U.S for her release without any terms and conditions, as we all knew, that she isn't a terrorist, and as per one report, she isn't a liability in any aspect.

Gracious-Verse[آيت كريمه] – 1,25,000 Times (Only Once)
 Ayat al-Kursi[آيت الكرسي] – 11 - 100 Times (Daily; After Esha Prayers)
 Durood'e Tanjina[دروود تنجينا] – 85 Times (Daily; After Esha Prayers)
 Ya Qadirou[يا قادر] – 800 Times (Daily; After Esha Prayers)
 Ya Fattahou[يا فاتح] – 70 - 700 Times (Daily; After Esha Prayers)
 Durood'e Nurriyah[دروود نوريه] – 11 Times (Daily; After Esha Prayers)
 Peace'n Salutation[دروودوسلام] – "الصلوة والسلام عليك يا نبي الله" – 100 Times (Daily; After Esha[عشاء] Prayers)

Note: Can add or subtract, after concerning it with Islamic-Notables[مشايخ كرام - اهل سنت ولجماعت], if seems inappropriate.

After 40 Days, left the consequences[it's a little bit a matter of FATE] upon Allah(سبحانه), as Allah, a sole creator and almighty, is the only one who can bring[creates means] her safely from there to here. This would be also a examination of present authority, to sustain or say cross Century[100 Days].

Do remember, we are the Gathering of Mystic Rejoice Dervishes(حلقه ياران مست بگوشه گفتن), and not the enemy to anyone, otherwise would let the destruction be executed[b], contrary a kind of friendly in nature, if be good to us, though we're not less than a scrap of waste, whom try to be good, even then whatsoever has been achieved nothing but a Allah(سبحانه) Mercy and Kindness.

FINALLY

[MAILING] Decided to send, these latest updates about our previous work, through our account, besides Publisher's. Second, not all our recipients are at g+, that's why dispatching, whereas will see what could be from this mail feasible to post at g+. [SAVE & SHARE] Just download, attachment to previous version, in this manner saved consumption of extra space, second would have updated version if maintaining otherwise it's alright; please do regret that we are disturbing time to time. If possible, then share it as before among your circles. [UNSUBSCRIBE] Few members, has rather than informing us, had blocked our receiving, besides one person, whom name wouldn't mention, has requested to unsubscribe from mailing list, and since then removed, therefore same for all recipients, if

seems contradictory or inappropriate or not useful then just reply, "Please Unsubscribe Me From Your Mailing List". [VOLUME 3] This mail will be presented in Volume 3, whenever commence, depends upon our survival on that time and if furthermore services being required from us. [ZIKR] Muslims shall focused, would be better, presently upon Zikr'ullah- & Zikr'ul-Habib [ذكر الله و ذكر الحبيب (صلى الله عليه وسلم)], and left the matter of system change upon Allah, whenever it will be ordered, will going to happened definitely, all means [اسباب] would be created naturally. [PRAISE] Please don't examine us [حلقه یاران مست بگوشه گفتن], meant take a test, through creating deliberately problems or situations, otherwise placed a supply and left it resulting fail, whereas all our recipients are in our [حلقه یاران مست بگوشه گفتن] praises.

[b] Then why not acted before, meant upon previous, whereas not reported the day it broke[happened]. Well, answer is very simple, all previous aren't that huge and large in terms of destruction whereas it is. Secondly, it may seems or say depicts excitement and proudly, contrary to decline NAFS [نفس], disclosing our gathering effort in this regards lately, whereas if else has did too, then not denying their blessings and assistance, because Mystic Personages are interlinked and connected, and do efforts mutually upon large and severe matter/problem. Allah knows all the best.

SUPPLEMENT

[ZIKR] Well all Azkar[اذكار] mentioned(via images) under Zikr Collection (G+ | Muslim Sufi Ray), are requested to read once, whether read the mentioned quantity or not, even then saying once would be beneficial for all readers. جزاك الله

[COMPLAIN] In Qasaid al-Gharbiyyah, pg.49, is expressing our complain, called in Urdu/Persian, “Shikwah[شكوه]”, depicting intense relation (to whom you are either under training or disciplined or both, but then left due to FATE), because they Notables[مشائخ كرام], connected us to beloved prophet (ﷺ) and made (polished) us loving and obedient. Allah knows all the best.

With His (ﷺ) Love We Can Survive [Turkish & English].

Thank you very much, My Liege, for such good interpretation; depicted clearly that you are Shaykh’s true successor, hopes will be listened and then follow by all Muslims, for their own benefits. سبحانه الله

[MISSED] At fourth, paragraph’s fourth line, it is, “... can be **seen** ...”

[LOST] In digital library, has lost[not recover yet], transcript citing, “Imam Ahmed Ridha al-Braheichi” miracle[كرامت]; Jinn’s Mirror. And, Thesis (in transcript formed) citing Darul Uloom Deoband origin (first foundation and then switching[snatching by Wahabies]); although has provided evidence from other source (transcript).

[MISSED] At fifth, paragraph’s first line, it is, “... like to express **regarding efforts** ...”

[MISSED] At eleventh, paragraph’s fourth line, it is, “... achieved **is** nothing ...”

[ADD] It depends upon Moon Appearance, if Muharram[محرم الحرام] completes 30, then 22nd would be the 40th otherwise 23rd Safar[صفر المظفر] will be the 40th Day. Second, can add further Surah Fateha – 10 Times (Daily; after Esha[عشاء]) at either First Position or Second (Before or After Gracious-Verse[آيت كريمه] being read first day, and then from onwards, shall be firstly), and also correct, Durood’O Salam[درود وسلام] – “الصلوة والسلام عليك يا نجي الله” – 100 Times (Daily; After Esha Prayers).

[QUERY & REPLY] One could ask, why only U.S, not else, meant other regions and previous storms etc., that has been destroyed or caused a damages, don't have any worrisome or receives any intuition, why only this one. Well answer can be given technically or simply, although refraining from details, and that is my dear brother and sister, Fuqarah are presented in all areas, and they were informed too through intuitions, however it depends upon them, whether act(give or take advise) or not, similarly whatever intuitions being received by our Social Circle Member and asked our advise, we responded accordingly, and only Hurricane Florence was the largest STORM presented on that time, thus acted, similarly if ever received about others then we acted accordingly; even INDIA has passed through very bad STORM, floods and casualties recently, but Waliullah[ولی اللہ] didn't mentioned(his intuitions,), though meets us regularly, otherwise if did then we definitely advised and do efforts[اعمال صالح]. Allah knows all the best.

Awliyah Kiram[فقراء] are not Allah nor Rasool[صلی اللہ علیہ وسلم], contrary Allah's creature, and obedient servant of Allah and his sent Rasool[صلی اللہ علیہ وسلم], therefore may be not disclosed or made hidden or being not send any intuition, or if knows then might be ordered to be quite, are all under his FATE. Allah knows all the best.

Next time we wouldn't going to reveal(or say mention) any kind of such efforts, doesn't matter whatsoever its intensity and severity, because then may be considered show-off[ریا کاری], whereas, currently we're pleasurable(rejoicing in) of ALLAH's Mercy and Kindness[رحم وکرم] and feels to share it among all Muslims(as mostly were outward and lives far away from Friends of ALLAH | ظاہر پرست ہو چکے یا ہیں؛ دوئم اولیا اللہ سے دور ہوتے جارہے |), expressing ALLAH's might and mercy; however please do not consider us some sort of big-shot or Advance T90 Battle Tank(Russian Made), contrary just scrap of waste and striving to get polish, therefore kindly refrain from sending your problems, ALLAH will do better. [Advice: Offers Obligation(فرائض) and Inevitable(واجبات) etc., and be patient/consent upon FATE.]

Do remember us[حلقہ یاران مست بگوشہ گفتن] in your nice praises.

This is not any geo-political analysis, but actually a message being said to deliver to Muslims, especially in PAKISTAN[پاکستان], alike being urged to write previously (Burmese Muslim) to all over, into which hide future of Pakistan, but this time has been ordered to reveal therefore presenting the hidden (partially). Do remember, all revealing are under changeable fate, meant depended upon steps being acquired/taken (including Justice), though Saints[اولياء] will try best to keep hardship away as much as could, in extent of damage.

Recently met Hudhrat Syed Masood Ahmed Shah al-Hussayni al-Hanafi al-Qadiri (حفظ الله) during SOHBAH, urged Faqeer to deliver this message to Muslims of Pakistan especially, "... **We are standing with present REGIME including Military, therefore whatsoever hardship comes** (expectable or maybe passing) **would be temporary and will removed** (pass away), انشاء الله, **and then a good time will come in Pakistan, in coming two or three years ...**"; however remaining steady and determined upon right path and vision will leads the nation towards betterment; which should be acquired by regime, because then we will move towards improvement and Islamic System, faqeer bukhari(غفرله).

Praise by Hudhrat Shah Shb(حفظ الله تعالى), "... May Allah bless Pakistan and its present Regime ..."

Note: Presented partially at G+, similarly here either, though enough for one to understand. Second, Shah Shb himself is a TLP Voter, alike Faqeer, even nearly all SAINTS in our circle have casted their votes to TLP, even though can examine that how peaceful and tolerable we Muslims are, that didn't panic nor threaten anyone contrary left the matter upon ALLAH(سبحانه), and still preparing to face current hardship. Third, many foretells of Shah Sb

revealed to Faqeer has been fulfilled, which will illustrate some other time. انشاء الله

Message for Pakistan

Url: <https://muslimsufiray.weebly.com/posts/fgcqmiTBxbY>

About, Imam Allama Khadim Shah al-Hanafi (حفظ الله تعالى), when told about present victory in General Election and then mandate being stolen or say handover to PTI, otherwise they will be in reign, responded that, it is a matter of FATE, and there will be any betterment hidden inside, therefore shall be patient and peaceful as well as would be better if aligned to stand with present regime into coming hardship, will benefits all of us, because PAKISTAN existence is important or say isn't enough sign for us, that still standing, whereas all over the world, enemies wanted to removed it completely.

FAQEER'S STANCE

Whereas Faqeer Bukhari's Intention, in this regards, is respects both personages, therefore whatever their stance will be not declined, though dependable upon Faqeer's own improvement; regarding stance for coming Hardship, let see. However, have marked Saturday, 29 September, 2018 [Hafta, 19 Muharram al-Haraam, 1440] as Yaum Ghazwa'e Hind [The Battle Of Hind]. Second, about al-Quds-Day [يوم القدس] on 2nd October, so has marked either, but unfortunately due to INTERNET package ending was unable to do posts in this regards on same date; although first let achieve Battle of Hind and then will see Battle of Jerusalem. انشاء الله

RECONCILIATION

When numerous SAINTS has casted their VOTES to TLP in recently conducted General Elections 2018, then how come or why or even then didn't given mandate (authority), well answer is very simple (giving), that it's a matter of FATE, which ALLAH (سبحانه) knows better, because "(Mafhoom (مفهوم)) ... **indeed your Lord may do whatever, whenever, He wills [s.11:v.107] ...**", second hides its SAINTS (اولياء) strength or whom possessed, because required something else service or there will be any better reward hidden, and so on forth.

Second, hadn't we expressed recently SAINT(S) strike, from Karachi, of breaking Hurricane Florence Strength, at U.S.A East Coast

بس ارادے سے ہی موجوں کا ہوا کام تمام - یابی صلی اللہ علیہ وسلم کہنے ہی والا تھا کے طوفان گیا

Note: For or to be effecting, one has to be a practicing either (Do Think); Faqeer has just decided (اراده) whereas rest Remembrance (اذكار) was did by Waliullah (ولى الله). **Second**, why expressed otherwise could digest, meant didn't revealed, well this is under Quran Verse, "(Mafhoom (مفهوم)) ... Say- you, 'only Allah' grace and only His mercy, on it therefore let them rejoice. That is better than all their wealth ... [s.10:v.58]", hence don't have single cent in pocket, but happy with this reward. **Third**, Hudhrat Masood Shah Shb (حفظ الله تعالى) expressed at this, "... Well Allah has taken service from you ..." **Fourth**, it's an open Miracle (كرامت) of Imam Muhammad Nazim Adil al-Geylani (قدسره العزيز) and Imam Muhammad Akhtar Ridha al-Braheichi (قدسره العزيز), because our circle (حلقه ياران مست بگوشه) (گفتن), includes Hudhrat Masood Ahmed Shah Shb (حفظ الله تعالى), is a die heart followers of these two personages. جزاك الله

Finally, do not forgot the mentioning of event in Maktubaat al-Nuriyyah (Vol.2 | Pg.51), which is actually taken from al-Ibriz, therefore don't ever neither one has to attain such strength (do practices) for such purposes etc, contrary has to control oneself and shall acquire or align with present physical means, whatever they are, as well as kept FATE before (if send/ordered through intuition). Do Think; for more details ask Notables & Knowledgeable or see concerned books. جزاك الله

PRAISE (دعاء)

Ya Nabi (ﷺ) Salam Alaika

Url: <https://www.youtube.com/watch?v=1EaIfCFNccU>

O'Allah, By-Virtue[بوسيلة] of Gracious-Prophet(ﷺ) and his blessed sahaba'e kiram (رضوان الله تعالى عليهم اجمعين) and mashaikh al-moazzam (رحمة الله تعالى عليهم اجمعين), show us your KARAM'O REHMAH (though we believed) so that all will see yours' beloved's religion righteousness to not only accepting but also if in fate (being written) then turned towards it, as everyone seems to be turning the situation mess (bloodshed everywhere) and corrupt (injustices) rather than peace and prosperity. O'Allah, made this month blessed and beautiful for all of us, especially by virtue of Awliyah[أوصياء], grant Muslims to revive yours' beloved's religion, in all departs of life as being humiliated besides acceptation (prosperity & strength esp.) by opponents(منكرين); in past and presently contained and will remain always in future. O'Allah send SULTAN ISLAM (or SHAH GHARBI, if coming Sultan's Title) alike 2nd Caliph Sidna Hudhrat Umar al-Farooq(رضي الله عنه), as faqeer al-Gharbi(غفرله) only looking towards you, a lonely weak sinful and poor (don't have single cent) as well as holds no physical and spiritual strength (knowledge, fighting skill etc) to do anything besides expressing firm stand for yours' beloved's religion (acquiring and implementation at any cost) via words and praises. O'Allah isn't Sidna Muhammed al-Rasul (ﷺ) is your beloved(محبوب) thus aren't we beloved's UMMAH hence doesn't deserve any honor and strength before you. O'Allah, take us to battles with firm stand and bring us successor from it, and this is not for fame (Our Name) but for ISLAM's Superiority and Strength. O'Allah, send mercies upon Muslim World, and through their blessing to entire world, grant us tolerance & strength for revival of your's beloved religion (Islam[أهل سنت وجماعت]), and pardon our sins & mistakes, thus if this praise is acceptable then would be yours' mercy and if not than faqeer al-Gharbi(غفرله) isn't a true Ummati nor Qadiri yet.

O'Allah showered rain at Karachi, as there is too much heat, or increase heat so that we may praise (return towards you, as in ignorance) for it, and grant us relief in water shortage, so may survive, as in trouble.

volume (Maktubaat Nuriyyah), which Faqeer is avoiding.

SUPPLEMENT

MYSTIC QUOTE: What is LOVE ... HUBB (حُب) ... ISHQ (عشق) ...? If wants to know then example present among us (or can be given), Ghazi'e-Islam Malik Mumtaz Hussaiyn Qadri (قدسره العزيز) and Syed Zaid Zaman Hamid Shah al-Geylani (حفظ الله تعالى), both went to detention (or being detained), in which one accepted hanging (and was hanged | سولی پرچڑھ |) whereas another being released (free to go | (قريب تهے سولی چڑھ جاتے |) but none's affection has been effected or got lowered, remained alive and persisting. Faqeer Bukhari (غفرله)

[FORWARD] This is a request, from Hudhrat Syed Masood Ahmed Shah Ghazi (حفظ الله تعالى), via Faqeer Bukhari (غفرله), forwarding to concerned person, even if respected Master Zaid Hamid Shah al-Geylani (حفظ الله تعالى) would like to help, so can that kindly send this message to PM Imran Khan and COAS Gen. Qamar Bajwa, so that confidence and trust may increase and strengthen further to advance or move Nation ahead.

"... We are standing with present REGIME including Military, therefore whatsoever hardship comes (expectable or maybe passing) would be temporary and will removed (pass away), انشاء الله, and then a good time will come in Pakistan, in coming two or three years ..."

"... ہم موجودہ حکومت کے ساتھ ہیں، بشمول فوج (عسکری)، اور جو بھی سختیاں ہیں (وقتی طور پر؛ ہیں یا آئیں گی) سب گزر جائیں گی، انشاء الله، اور بہت اچھا دور آنے والا ہے دو/تین سال میں ..."

Note: It is up to sender, including Master Zaid Hamid Shah Geylani (حفظ الله تعالى), that either forward whole email (including supplement), or just send BOLD English & Urdu Statement of Hudhrat Syed Masood Ahmed Shah Shb (حفظ الله تعالى), as it's not faqeer's message thus shall be distinct hence can be send Hudhrat Shb words.

[HARDSHIP] The hardship could be either, an expected conflict or storm or something else (financial recession etc.), Allah knows, though state is suffering from nearly all, among which conflict is at our door (Knock Knock | بعد | صاحب مصروف ہیں، جب دستک دیں، تو کہے دیجیے گا،) too, as nearly 1.2 Million troops whereas one report is of 1.8 Million Troops deployed at BORDER, and how many are actives and reserves in any right figure, Allah knows that too, but can be asked from Master Zaid Hamid Shah al-Geylani (بارک الله) either, may be knows or have something.

However, would like to say one thing, that is, one can never understand PAKISTANI Nation, that what ALLAH has created, because whatever contradiction present or say exist amongst us (between Government Institutions and Public) is ours matter but whenever it comes about WAR or say upon our NECK (matter of survival), all becomes ready to fight. **REASON:** Well whole nation has nothing to do nor has anything to do, due to corruption (empty treasure), alike neighbors, which has made whole STATE alike skeletal, thus most

population is just resting hence entering inn or crossing BORDER would maybe a suicidal, because igniting a Nation that is totally free (کرنے کرانے کو تو کچھ ہے نہیں), hence will push them in WAR making them or their hearts busy in efforts (دشمن کی مارکٹائی میں قوم کا دل لگا رہے گا), serving enemy with special dinner (دھنائی و پٹائی) through maximum temper and leisure (طبیعت و فرصت سے).

Note: For our Respected Mothers and Sisters, prepares whenever heard that enemy has crossed a BORDER, a HOT WATER BOWL (Large Size) and highly heated FRY PAN, and whenever sees them, entering into your jurisdiction, first welcomes them with HOT WATER and then give some extra caramel with creamy chocolate taste through HOT FRY PAN at their backs so that no one else could ever think to mess.

To Master Zaid Hamid Shah al-Geylani, are our neighbor into its right senses, meant messing with such nation, even whom KID(S) can, Will Close Your Leave (چھٹی بند کر دے گا);
Url: <https://muslimsufiray.weebly.com/posts/gwtz2wQArXh>

[STATUS] O'Dea, for many seems false, our mentioning that don't have a single cent in a pocket, then how come doing efforts, well truth is that being barred (PC, Internet etc.) by FAMILY, whereas whenever earn something spend it rather than kept in pocket, hence not a lie.

[PERSON] Hadn't claiming, nor has did, that we are this or that, alike some are appearing, to claim that we are the one or awaiting personage etc. Hence would like to say, in our little efforts has just express our services (eagerness for doing) nor meant we are the one, because a matter of FATE, as it's up[on/to] Notables & Knowledgeable (اهلسنت ولجماعت) to SELECT (Pick) the right and appropriate person, to lead Muslims, including for BATTLE OF HIND and then JERUSALEM, although in whomsoever FATE it was written will be done; meant all Muslims* will gather naturally, and then resources will start emerging which will then leads towards final victory, completion of VISION. Allah knows all the best.

Note[*]: Though, if not accepting (to join) then shall be praising for Muslims success under awaiting personage, and don't be the third one that nor joining neither praising, could be fall into deep trouble. Allah Knows All The Best.

[RECTIFY] Please rectify, an error occurs when sent.

[ADD] Stated, "... **Note:** There were too much rumors that's why avoided (because if don't knows any matter, it is better either not to illuminate or refrain, besides expressing own assumptions), due to which unable to get complete and originally happening of event/reason of getting in detention, which was clarified by Knowledgeable (اہلسنت ولجماعت), therefore shall contact them (especially TLP Majlis Shura). ... جزاک اللہ", it's a little old event though was a focal point of MEDIA during its rise, however too much rumors were presented (especially here at Karachi) hence avoided to illuminate on that time, but then heard from Knowledgeable [علماء] that she was innocence, contrary being dragged into trap and then taken to U.S for detention. However now it has been cleared, therefore do efforts, whatever everyone could do/participate for release. جزاک اللہ

[**IMPORTANCE**] Well one of Faqeer's much closed friend and colleague, a member of Qadri Sword Team (Former), is now engaged (busy) in following condition; very well depiction. **Second**, well Respectful SHAH JEE, is it true that has to wash clothes (See Kitty) ...? Not experience, that's why asking ...

Isn't There Any Else Option ...?

Husband: Today is Sunday, wash the clothes.

Wife: What Did You Said ???

Husband: Today is Sunday, shall I wash the clothes.

[KARACHI] Due to deteriorating conditions, after little amendment, CITY may refer as following as per matter: **First**, improper waste management and absence of recycling process thus made it “Kach-Rachi[کچراچی]”. **Second**, no planning nor research and development present thus preventing proper draining and processing procedure, otherwise a lot of new fittings (UPVC) has been introduced and processes are present to drained it, thus due to absence made it “Gutt-Rachi[گٹراچی]”. **Third**, well this is very interesting, heard from Master and Allama Shb too, that Ex-COAS, Indian Armed Services, has revealed that would going to ignite chaos among them before infiltration, hence seems true, as crimes are little bit increasing depicting words are materializing hence making it “Jaraim-Rachi[جرانمرچی]”. **Finally**, there is no attention in this matter, over billing (wrong tariffs) and undeclared load shedding, inflicting damage to daily routine life as well as commercial activities too, which including earnings meant striking economy, and the company is looting and causing damages continuously, making it “Elec-Chor’achi[الیکچوراچی]”.

Note: Karachi has everything besides administration, whereas at GOVT. PAPERS, it is far away and highly developed Metro-City then DUBAI and SINGAPORE CITY. No doubt due to corruption has been made or became a piece of art. Well, over to our General Head Quarters, BRASSTACKS, Rawalpindi ... !

[REQUEST] It is requested before all Notables & Knowledgeable that do praise for rain over KARACHI, as temperature is not that cool or good which should be, second facing WATER Crisis hence would be helpful, and do add this, “... O’ALLAH do not punish Muslims in Karachi particular, whereas all in general, for Tanzeel Bukhari’s Sins (contrary pardon him), and looks towards your own mercy and kindness, especially to your honorable & beloved (صلی اللہ علیہ وسلم), being sent by you as mercy for all universe, thus send showers of mercy by his (صلی اللہ علیہ وسلم) virtue ...” Ameen

Note: There are some statements may be speculating or picked by all recipients (including analysts), seeming colliding (contradicting) with respect to their situation(s), hence are before faqeer and will be interpret in either under progress or any new work.

Was in smiling mood, thus express little relief via few lines, because ZIKR burns you, even can made you mercury as many event(s) are presents in Tasawwuf Books. Allah Knows All The Best.

MYSTIC QUOTE: Muslims, in present era, May achieved to be or became economists, scientists, engineers, doctors, politicians and so on forth (educated modernly) but didn’t seek for consent of/to Allah (سبحانه) and His Rasul (صلی اللہ علیہ وسلم), which laid in not only acquiring but practicing (following) their orders at all level (individual to state); that’s why sabotage easily everywhere and unable to resolve own problems and disputes. What about looted wealth, worth either US\$ or PKR 500 Billion ...?

[IMPORTANCE] Here by SHAH JEE meant Master Syed Zaid Zaman Hamid al-Geylani. Second, by BUSY (much closed freind and colleague), so was speculating, because now didn't met alike before; and that's why asking from MASTER either, Is it possible that gets busy ...!

Commemorating Urs'e Ala-Hudhrat Imam Muhammad Ahmed Ridha al-Braheichi (قدسره العزيز), a renowned revivalist of 14th Islamic Century, wrote more than 1000 books, upon 56 different subjects approx, illuminating tremendous in-depth knowledge and great farsightedness being granted by Allah (سبحانه), which rarely be seen, even in today's modern world (as be said) where people are claiming to be very knowledgeable, are still far behind in compares to that great revivalist. May uncountable mercies and kindness be showered upon his blessed grave?

GREETINGS & CONGRATULATIONS

Definitely a matter of pleasure and gratitude, that has been resolved peacefully, as once again Muslims, in Pakistan, has gathered at numerous places around the country for Honor and Finality of Sidna Muhammad Rasool Allah (صلى الله عليه وسلم), therefore greetings both, Imam Allamah Khadim Hussaiyn Shah al-Hanafi (حفظ الله تعالى) & Imam Muhammad Afdhal al-Hanafi al-Qadiri (حفظ الله تعالى) and the Authorities (especially Military).

الحمد لله, Muslims as well as Security Institutions were remain peaceful and friendly, and was just participating or say recording their protest to Higher Authorities (Federal | Islamabad), that all issues concerning into this regards shall be and so must be resolved peacefully as there is no need for any kind of aggression as it's not a matter of confrontation (battling) contrary of understanding the Islamic Principles and Regulations.

Note: There were reports of some conflicts, and even lost of lives (10 Muslims has raised Martyrdom approx), therefore shall be investigated and then justice should be delivered to all families/relatives. Recite **FATEHA** (1 Time) and **IKHLAS** (3 Times), and **SALAWAT** (3 Times) at first and last, for our Muslim Brothers, whom lost their lives or say in real sacrificed themselves for such a NOBLE CAUSE (ماشاء الله و الله اكبر), and also includes Mawlana Sami'ul-Haqq (May Allah Pardon Him), patron of Afghan Taliban, being killed on Friday, has announced complete support to Muslims Sit-Ins (cause and demands) all over PAKISTAN.

NEW PAKISTAN OR SAME OLD

Reveal one thing here and that is, if Imran Khan takes Hudhrat Allama Khadim Hussain Shah al-Hanafi (May Allah Protects Him) into trust and do Reforms (Islamic) accordingly then would be able to complete its tenure otherwise wouldn't contrary will cause destruction to himself as well as to whole nation. Allah knows all the best

ایک بات بتا دیتے ہیں اور وہ یہ، عمران خان اگر حضرت علامہ خادم حسین شاہ صاحب (حفظ الله تعالى) کو اعتماد میں لے کر اصلاحات (عین اسلامی) کرے گا تو میعاد حکومت (پانچ سال) پوری کرے گا ورنہ نہیں کر پائے گا اور الٹا تباہ و برباد بھی ہوگا اور ساتھ ساتھ میں ملک و قوم کو بھی نقصان پہنچائے گا۔ واللہ اعلم

Note: A statement of Mystic Personage (ولی الله), whom has strike upon Florence Hurricane (broke strength); sharing with all now.

FUTURE OF PAKISTAN

Recently met Hudhrat Syed Masood Ahmed Shah al-Hussayni al-Hanafi al-Qadiri (حفظ الله تعالى), during SOHBAH, urged Faqeer to deliver this message to Muslims of Pakistan especially, "... **We are standing with present REGIME including Military, therefore whatsoever hardship comes** (expectable or maybe passing) **would be temporary and will removed** (pass away), **انشاء الله**, **and then a good time will come in Pakistan, in coming two or three years ...**"; however remaining steady and determined upon right path and vision will leads the nation towards betterment; which should be acquired by regime, because then we will move towards improvement and Islamic System, faqeer bukhari (غفر له).

Praise by Hudhrat Shah Shb (حفظ الله تعالى), "... May Allah bless Pakistan and its present Regime ..."

PURE ISLAM

"... Ghazwa'tul-Hind (غزوة الهند), is purely based upon religion Islam (مذهب اهل السنة), hence only those fight and becomes either "VETERAN (غازی) or MARTYR (شهید)" whom strictly standing for & practicing, whereas rest was just dies; it has nothing to do

with nationalism ...”

PAKISTAN is founded in the name of Islam which stipulation is “... لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ رَّسُولُ اللَّهِ ...”, but it didn't meant that being ordered to professed only, contrary some responsibilities would be then applied, which a Muslim has to fulfill, and that are creed and practices, explained/defined by Knowledgeable(علماء), therefore shall be acquired it, from individual (if living other than Muslim country) to state (when inhabitant are largely of same faith). Second, foundation doesn't implies that STATE becomes above or over religion, contrary it will be remained underneath it, and whatsoever its credibility would be due to religion, hence RELIGION(Islami'yat(اسلامیت یعنی دین)) is above NATIONALISM(Qaumi'yat قومیت یعنی قومیت), and until or unless Muslims around the world wouldn't get out from such disease (considering Nationalism above Islam), will be not able to stand united and resolved their disputes.

Second, unfortunately enemies has strike upon Muslims Belief and Faith, or say core stipulation(شرط), in other words continuation of their conspiracies against Muslims of HIND, and that's why Muslims are gathering or say coming on streets, since beginning of this decade(10's) especially, alike before they did during British Rule over India in last century, for all matters, not only for demanding separate Muslims State specifically.

چھائی بدلی کالی ہے، مت دیکھو یہ رت والی ہے – اس ظلمت سے نہ اے گھبرا، کلمے سے اجالا کر دیں گے

Cha'ei Badli Kaali Hai, Mat Dekho Yeh Rat Waali Hai

Iss Zulmat Sey Nah A'ey Ghabra, Kalmay Sey Ujala Kerdaiyn Gay

[Eng. Trans.: The coverage of darkness, has turned luck into like black night – O' you do not be afraid from, as will lighten it through Kalimah Tayyibah]

STATUS

O'Dea, if Assiyah (Christian Woman) has did blasphemy, though she has confessed and there are witnesses either, according to Knowledgeable(علماء), then definitely its punishment is persecution upon repentance (whether being did or not), otherwise that FAMILY which has filed FIR against Assiyah shall be punished upon filing false case (allegations); because titling or calling blasphemous is no joke and a very critical matter, shall be careful very much.

Note: According to Knowledgeable(علماء), family and then whole village are witness of her act of violation (Islamic Law | *Termed as Blasphemy*). Second, if she didn't conducted, as per statement, then family is responsible of provocation (false accusations), hence will be punished for that, which again Knowledgeable(علماء) domain. Third, It doesn't matter, whosoever did (blasphemy), whether Muslim, Non-Muslims (Minorities) or Intruders (خوارج); its punishment is persecution upon repentance. See Jurisprudence Books or ask Knowledgeable(علماء). Allah knows all the best

FINALLY

Knowledgeable(علماء) are doing very well, especially gathered under TLP Flag, since emergence monitoring them closely, and found them according to Islamic Laws, especially quoted from Knowledgeable(علماء) explications and interpretation, urging or enforcing people in reign (Authorities | Government) to implement Quran & Sunnah peacefully, if STATE is inhabitant by Muslim (meant Muslim Country) because it's a questionable matter in hereafter(آخرة) specifically, if practicing other than Quran & Sunnah; faqeer was very eager that may someone appeared to do this physically, Islamic Laws present in literature and, الحمد لله, Imam Allamah Khadim Hussaiyn Shah al-Hanafi(حفظ الله تعالى) & Imam Muhammad Afdhal al-Hanafi al-Qadiri(حفظ الله تعالى) has emerged or say shown it, even this was also satisfactory for faqeer bukhari that quoted references are correct and precise.

سنت پہ جو بھی ثابت ہیں، ان کی ہی عزت ہوتی ہے – تھام لو دامن ولیوں کا، بخشش بھی آسان کر دیں گے

Sunnat Peh Jo Bhi Sabit Hain, Un Ki Hi Ezzat Hoti Hai

Thaam Lo Daman Waliyoun Ka, Bakh'shish Bhi Aasan Ker daiyn Gay

[Eng. Trans.: Those who are steadily at Sunnah, only they would have respect – Hence be with practicing Saints, will get everything conveniently (including pardoning in hereafter)]

It would be much better if we restored Islamic System of Justice, Security and Economics, in other words Nizam'e Mustafa (صلی اللہ علیہ وسلم) a.k.a Khilafat'e Rashidah, otherwise conflict or say contradiction will be persisted, and may be enemy would takes its advantage tentatively, which it is taking and really wanted, and this is true for all Muslim Countries including TURKEY not for PAKISTAN only.

May gets dust of Ghawth'ul-Azam

[STANZA] Blessed Sacrifice: To all those Muslims, whom had sacrificed themselves at Honor and Finality of Sidna Muhammed Rasool Allah (صلی اللہ علیہ وسلم) ... [Qasaid al-Gharbiyyah]

[AGITATION] Sit-Ins were started on Tuesday, 30th October, 2018, from Lahore first and then were spread nation-wide gradually, converted into complete blockade (once again Muslims has shown their affection and strength; unarmed and peaceful), which intensity got on its peak and ended too on Friday, 2nd November, 2018 when agreement reached successfully. الحمد لله.

[STATUS] Here, Faqeer Bukhari didn't signified towards Courts meant Judges and their decree and then its Islamic Status, contrary depicting Islamic Jurist (قاضی) way of giving decree, in this matter, through mentioning accused (by name) and accusers (family), as well as highlighted the reporting method (FIR), which is usually practiced here in PAKISTAN, under the roof called POLICE STATION. Second, for any third way in any matter, if present or can be enumerate and then given, then it will be depend upon Knowledgeable-Assembly (مجلس علماء یعنی شوریٰ) research and then consensus, which would be called VERDICT (اجتہاد). And this small citation is also representing the Islamic System[*], specifically Justice, by replacing POLICE STATION as DAR AL-QADHA; where Muslims filed their cases, for getting justice.

Note: Whereas, regarding BLASPHEMY, punishing and pardoning, both depends upon or applied at statement level, and this judgement & declaration is Knowledgeable (علماء) domain or say responsibility to execute, after communal consensus. Allah knows all the best.

[ORDER] Islamic Shariah orders applied upon outward (ظاہر پر؛ الفاظ، عمل وغیرہم)، therefore matter will be judge or say decree would be based upon expression (اظہار؛ قول یا فعل پر)، at exposure (ظاہر کرتا ہو) or self confession (قبول کرے)، whether have witness (s) or not. Ask

Knowledgeable(علماء), or see Jurisprudence Books. Allah knows all the best

[PRESENCE] Likes one interpretation very much, and remind it timely, whenever thinking about Ghazwa'tul-Hind, by one and only Master Zaid Hamid Shah Geylani(حفظ الله تعالى), and that is, "... Mafhoom(مفهوم): Ghazwa is that form of battle into which Sidna Muhammad Rasool Allah (صلی اللہ علیہ وسلم) participated Himself (صلی اللہ علیہ وسلم) ... غزوة وہ جنگ ہوتی ہے جس میں سرکارِ دو عالم (صلی اللہ علیہ وسلم) ... نے بنفس نفیس خود شرکت فرمائی ہو (احادیث مبارکہ), this one battle (whether say happened or remaining) has been termed or called as "Ghazwa'tul-Hind", therefore Sidna Muhammad Rasool Allah (صلی اللہ علیہ وسلم) presence is definite into it, which would be both, Physically and Spiritually, as Prophets (انبياء کرام علیہم الصلوٰۃ والسلام) are alive. But here Faqeer Bukhari like to express, what one is thinking will beloved Sidna Muhammad Rasool Allah (صلی اللہ علیہ وسلم) accepts Anti-Islam System, or assists us in battle while having/practicing SYSTEM against His (صلی اللہ علیہ وسلم) teachings?

[KNOWLEDGEABLE(علماء)] O'Dea, they are coming on STREET, only when found that decision is taking against Islamic Laws (Decrees), especially at matter of Honor & Finality of Sidna Muhammad Rasool Allah (صلی اللہ علیہ وسلم), for expressing their support from common Muslims too, otherwise servicing through Masajid & Dar'ul-Iftas, via SPEECHES esp., which are full of urging and enforcing authorities to implement Islamic System; actually this was left by Knowledgeable(علماء), mostly in Pakistan, that's why appreciating, although if anyone isn't Faqeer's knowledge doesn't imples that didn't deserved appreciation or aren't included.

Greetings Blessed Radiant Month of Rabiee Sharif, 1440 Hijri, from Dar-Haqq Team and Faqeer Bukhari, and praise that may it brings happiness and prosperity among all of us Muslims, as well as Non-Muslims, around the WORLD, especially badly effected areas.

“(Mafhoom(مفهوم) ... Say- you, 'only Allah' grace and only His mercy, on it therefore let them rejoice. That is better than all their wealth ... [s.10:v.58]”

It has been revealed in Quran Kareem, that Sidna Mihammad Rasool Allah (ﷺ) has been sent as MERCY for all universe, hence rejoicing at Blessed Birth is seem clearly permissible and valid . Faqeer Bukhari (غفرلہ)

Al-Quran Al-Kareem

[Mafhoom(مفهوم)] When companions (رضوان الله تعالى عليهم اجمعين) asked about Fasting on the day of Monday, Rasool Allah (ﷺ) replied “... I was born on this day ...”
(For complete, see blessed sayings books(کتب احادیث مبارکہ))

Enlighten you the groping world with dear Muhammad's Name.]

Poet of East, Arif Bi'Allah Hudhrat Allama Dr.Muhammad Iqbaal (قدس سرہ العزیز)

It is not proper for a person who thinks with reason to ask “why do you commemorate the Mawlid..?”

As if the person asked “why are you happy with the birth of the Prophet Muhammad (صلی اللہ علیہ وسلم) ?”

Imam Muhammad Bin Alawi al-Maliki (قدس سرہ العزیز)

For those who ask me about the permissibility of Mawlid, My answer is there's no Islam without the birth of Prophet (صلی اللہ علیہ وسلم)

Honorable & Respectful

His Highness Shaykh Hisham Kabbani (حفظ الله تعالى)

Celebrate this month, the birth of the most beloved to ALLAH – Rasool Allah (صلی اللہ علیہ وسلم) in the best way you can. He (صلی اللہ علیہ وسلم) is the Father to the believers and His (صلی اللہ علیہ وسلم) wives are the Mothers of the believers. Don't hesitate to celebrate, to sing for Him (صلی اللہ علیہ وسلم), don't let this golden chance of remembering Him (صلی اللہ علیہ وسلم) and getting the energy of month go away. Celebrate in the best way. He (صلی اللہ علیہ وسلم) is our Prophet. He (صلی اللہ علیہ وسلم) is the most perfect one among all the creatures on the face of earth. Love Him (صلی اللہ علیہ وسلم). Send blessings upon Him (صلی اللہ علیہ وسلم)

Honorable & Respectful

His Highness Shaykh Muhammad al-Yaqoubi (حفظ الله تعالى)

Mawlid'un Nabi (ﷺ) is every month. Every day. Every hour. Every minute. Every second.

Honorable & Respectful
His Highness Shaykh Naqib'ur Rehman (حفظ الله تعالى)

The worst way you can spend the month of the Mawlid is argue about the permissibility of the Mawlid.

If you have a problem with the Barakah of Muhammad (ﷺ), you have a problem with the Barakah of Allah.

Honorable & Respectful
His Highness Ustadh Usama Canon (حفظ الله تعالى)

The Day of Judgment is in reality a celebration of Muhammad (ﷺ). They will come to know Him (ﷺ).

Honorable & Respectful
His Highness Shaykh Yahya Rhodus (حفظ الله تعالى)

"Obedience of Rasool (ﷺ) (اطاعت رسول), without mawlid, is impossible (محال) and just a claim (severe satanic betray)"

True affection, of Sidna Muhammed Rasool Allah (ﷺ) is that would definitely celebrate (feels pleasurable implies organize/participate | *According strength*) Mawlid Sharif [انشاء الله] whereas, false affection, is that avoiding to celebrate (depicting feels displeasure hence not organizing/participating), which in real a SATANIC (severe/brilliant deception) betray. [معاذ الله]

adna faqeer

SOME MATTERS (In-Brief)

[ORGANIZING] Well, not inevitable at home (organizing, if having financial problems or too poor), but then should participate, if there is no reasonable excuse present (illness, abnormality etc.), where it has been arranged (by others), for blessings so that may not be exempted from special mercies; shall registered your affection to ALLAH and His RASOOL (ﷺ) through attendance.

[DECORATING] Raising a FLAG only otherwise decorating whole HOUSE is rewardable. However, if unable to do any (reasonable excuse), then participating through amount with other Muslims, if there's any service present for decorating your area or nearby, is also a good deed and rewardable.

[LISTENING] Reading otherwise listening NASHEED (نعت شريف) is for remembering as well as increasing affection, and being practiced by blessed companions (رضوان الله تعالى عليهم) too, therefore shall either read or listen it with respect and fragrance (Non-Alcoholic), so that our affection and respect before most honorable may embellish; however should kept salvation timing and prayers before.

[FOOD] Water, Juices, Dishes, Dry-Fruits, etc, are allowed (only permissible | HALAL), as per strength, not inevitable. Second, Muslims (attendees) cannot demand however if there was any sort of arrangement then could sit; kept all rules of eating before, meant praise, right hand usage, proper wastage etc.

These are the synopsis of complete details present in Islamic Literature, therefore for complete details, in all regards, shall be seen in the concerned books or ask Knowledgeable (علماء). Faqeer Bukhari (غفرله)

[PRAYERS & BLOCKADE] It has been mentioned in Blessed Sayings (احاديث مبارکه), that for beloved nation (امت محبوب المصطفى ﷺ), the whole earth has been made MASJID (meant allowed | *Whereas it wasn't for before Nations*), therefore wherever they found place, when time comes, can offer prayer(s), meant if there is no MASJID near and a clean place is present (avaiable) PRAYER should be offered.

Now some points in this regards:

When mob is so large (colossal | *Alike Processions, Protests etc.*) and gathered at any place then, upon time PRAYER shall be offered, either at near MASJID or look for ground otherwise besides wasting time and thinking a lot shall offer at gathered place.

Note: Even if Masjid is available, but too small or incapable of serving MOB, then shall expand, either along with MASJID otherwise look for ground or shall offers at gathered place. Second, organizers shall arrange this service(carpet, or piece of clothes for PRAYER

etc.) otherwise informed earlier to Muslims to take a piece of cloth with for offering.

Second, however gathering shall be for any justified reasons, not for disturbing normal life routine, as well as if blocking any path (road or street etc.) so should kept the dependencies before and do parallel arrangements accordingly; meant life saving means, food supplies etc.

Third, it would be much better, that whenever doing blockade, then shall either say kept before parallel ways or arranged diversions, otherwise if matter is so serious then should takes everyone advise, meant consensus of all, for complete blockade (including parallel paths or say diversions); and even then kept necessary dependencies before.

Fourth, properties and goods shall be respected (احترام کیا جائے), and should not be broken nor destroyed, in any case, as it is not permissible; as there is a penalty in ISLAM, called compensation meant complete amount (cost) of damrage (shall be evaluated first as per Market Rate), whosoever caused.

Do remember, blockade or say seizure(محاصرہ) is permissible in ISLAM, but shall be justified and reasonable, not meant to harm neither for destroying Muslim State especially; only if matter is serious, meant of creed (against ISLAM) or rulers gone too far (بہت زیادہ ظلم کر رہے ہوں یا اُترائیں) inflicting Muslim-State instability. Second, blockade can or say could be termed as EFFORT(جہاد) otherwise ENCIRCLING(محاصرہ), depends upon nature of cause or purpose for which it has been organized. Third, if purpose or say intentions are cleaned and defined (according to ISLAM, and for ISLAM), then remembers there always present SAINTS(صوفیاء یعنی اولیاء اللہ), as it has been revealed by Knowledgeable(علماء) in light of QURAN & SUNNAH, whenever there are 40 Muslims, among them a SAINT(ولی اللہ) is present; now think big or say consider about mob, an opened example is FAIZABAD AGITATION - 2017.

Note: Imam Ghazali (قدس سرہ العزیز), has mentioned or say provided a reference, a beautiful act of blessed companion(رضی اللہ عنہ) who became fed up of his neighbor's violation(act), hence came out on the street, at which got attention from others due to which matter was then resolved, between both. There is too much present in this beautiful reference for Muslims around the world.

For more details see concerned Books or ask Knowledgeable(علماء). Faqeer Bukhari (غفرلہ)

[KNOWLEGEABLE(علماء)] Came in Blessed Saying, "(Mafhoom(مفہوم)) ... Knowledgeable are the Heirs* of Prophets ((انبياء کرام علیہم الصلوٰۃ والسلام)) ... [*In Knowledge, Faqeer] ..." hence hatred and jealousy is affirmed, as being expressed firstly by SATAN (at heaven when being ordered to prostrate but refuted), since birth of Sidna Abu-Bashar Hudhrat Aadam (عليه الصلوٰۃ والسلام), in heavens (to whom upon being ordered to prostrate) till arrival on EARTH, this hatred and jealousy, can be termed as enmity, practiced meant attacked by

SATAN time to time, upon all Prophets ((عليهم الصلوة والسلام)), and then finally came in last Sidna Muhammad Rasool Allah (ﷺ), and after then chapter has been closed forever, however alike in previous nations, SAINTS (صوفياء يعني اولياء الله) will emerged (a form of reward, called WILAYAH (ولاية), given to true and right believers or say practioners) or say present in every era, whenever place vacant, would be taken by either successor or new personage, and this will continued till Imam Mahdi Muhammad Bin Abd'allah al-Hasani (رضي الله عنه), hence you will find or say experienced the hatred and jealousy, in other words enmity, against Knowledgeable (علماء) a lot, doesn't matter whether being possessed any Mystic Status or not, but obtaining right knowledge itself is miracle of one qualified person, specifically in times of Instigations (دورفساد، يعني انتشار کے وقت), therefore very sadly and unfortunately, such practices are happening or say can be experienced into Muslim Countries, especially in PAKISTAN, which has been found upon ISLAM (سنت) (رسول (ﷺ) و جماعت صحابه Knowledgeable (علماء) are being threaten and detained, at crime of defending ISLAMIC IDEOLOGY (Creed and Practices), hopes that some one will realize the situation and will tries best to make it well soon, if not according to ISLAMIC teachings and practices (including SYSTEM) but one right of being Muslim and Citizen of State founded upon ISLAM. انشاء الله.

[VERDICT] At Page 29 cited, "... Second, for any third way in any matter, if present or can be enumerated and then given, then it will depends upon Knowledgeable-Assembly (مجلس علماء يعني شوری) research and then consensus, which would be called VERDICT (اجتهاد) ..." hence **NO** is VERDICT (اجتهاد) too implying retaining order as given by earlier Knowledgeable (علماء).

Note: Question may be asked, why asking repentance from Non-Muslim (Disbeliever, Polytheists etc.), seems not necessary? **Answer:** Well, yes no need, and here meant urging to apologize (taking before words back), whether do or not. **Second**, so that may left this world as Non-Muslim, if not being granted guidance towards Islam then, not non-Muslim plus blasphemer, hence presenting repentance for reducing one's punishment, hereafter; although Non-Muslim (Disbeliever, Polytheists etc.) would be sent to hell forever, integral part or say communally agreed faith of Islam (Muslims), and its refutation itself is a profanity. See Jurisprudence Books or ask Knowledgeable (علماء).

[MISTAKES] Some composing mistakes have been rectified, both in Maktubaat and Qasaid, therefore please update the versions and regret them. جزاک اللہ

[JOY] A very common English phrase expressed in pleasure, "... **You Made My Day** ...", therefore doing little amendment, and afterwards it become (for faqeer especially), "... **You Made My Century** ...", and its reason is very simple, a cited STANZA at previous Page (38), that one of our social circle associate's freind posted at his facebook page the very renown and common, upon which one opponent responded, "You are calling us SATAN", well has understood either say something or exactly(placing himself by own) though in STANZA poet is actually condemning SATAN for missing pleasure, especially when had a chance to getting divinity (further) at the time of prostration (when all, ANGELS, being ordered to do, including AZA'ZIEL), but refuted in arrogance in other words shown negativity (by Aza'ziel, also called Iblees(Shaytan)), whereas it was a occasion of HONOR & PRIDE, which ALLAH has revealed, hence being condemned and then expelled (due to refutation), whereas transformation (Honor & Pride | *Blessed Radiant of Sidna Muhammad Rasool Allah* (ﷺ)) was continued, after initiation which was finally closed at the arrival, or say blessed birth (Mawlid Sharif), of last prophet, Sidna Muhammad Rasool Allah (ﷺ), therefore remembrance by Muslims around the world includes, or can say, it is reminding of that occasion either (though SATAN had missed that | *Surely Pal*). For more details, read concerned books or either listen or ask Knowledgeable. Allah knows all the best

Note: Similarly, few years ago, a female also responded in same manner when our associated member (female scholar) had a debate with her via SMS. Well, such crooks and idiots are making our CENTURY well, or say very well.

[IQBAAL] Well, deserve appreciation and gratitude, by signifying the right status. Second, Faqeer was also dubious about it and has searched (not claiming that has searched each and every book; contrary partially) into Allama Iqbaal's Poetry but didn't find anywhere (ظاہر ہے، کہا ہوتا تو ملتا), though its outlook (wording) and subject (depth) are right but only relation(نسبت) is wrong, therefore shall be avoid by writers for doing so. However, it would be much better (appropriate) to written down, "By Assistance of Iqbaal (بفیضان اقبال)" if one really wants to say something or try to copy alike Iqbaal, and this wouldn't complained either by anyone, but people don't have such level of sense.

Faqeer had posted (due to subject), and has now rectified its relation(نسبت):

Url: <https://muslimsufiray.weebly.com/posts/MeAb82ZJdVe>

Second, believed me master (have to), we only knew iqbaal by or don't know beside this, "... Iqbaal Is, Iqbaal Is, Iqbaal Is Ours (اقبال ہے، اقبال ہے، اقبال ہمارا) ..."; a renowned poem upon national poet. Well, here whether we don't know or doesn't wanted to know the message or say preachings of Allama Iqbaal, but remembering the relation rightly(بسمول، بسمول ہمارا ہے، بسمول). Would you be now happy or agreed? (فقیر، پر یہ نہیں پتہ کیوں ہے؟ occasion of pleasure is also here).

HONORABLE SUNNAH
To be alive for one moment in which to speak one holy word, to do one sunnah, is more valuable than the treasure of the whole world. Our Grandshaykh says, "in the sight of Friends[اولیاء] this is the perfect respect for the Prophet(صلی اللہ علیہ وسلم). They are ready to give all treasures for one sunnah[سنہ]." Arif Bi'Allah[عارف باللہ], Al-Shaykh Muhammad Nazim Adil al-Geylani (قدس سرہ العزیز)
The Prophet(صلی اللہ علیہ وسلم) recommended that first thing in the morning, don't eat anything except seven dates and one cup of milk. Which he(صلی اللہ علیہ وسلم) said will take away the effects of black magic and all the filthy things people do to each other. His Highness Al-Shaykh Hisham al-Kabbani (حفظ اللہ تعالیٰ)
Some of the forgotten SUNNAHS[سنتیں], clothes should never be hanged like now in a wardrobe people hang there clothes, its not the sunnah, the sunnah is to fold them. His Highness Al-Shaykh Muhammad al-Yaqoubi (حفظ اللہ تعالیٰ)
It is from the sunnah[سنہ] to make praise[دعا] for those who feed us. His Highness Al-Shaykh Kazim al-Saqqaf (حفظ اللہ تعالیٰ)

SOME MATTERS
Before Act(عمل) must come knowledge(علم) of acting upon it, before knowledge(علم) must come respect(ادب) for attaining it. His Highness Al-Shaykh Efroze Ali (حفظ الله تعالى)
A true lover of the Prophet(صلى الله عليه وسلم) always prays SALAH[صلوة]. If he doesn't pray then there is no real love of the Prophet(صلى الله عليه وسلم). His Highness Al-Shaykh Hassan Haseeb'ur-Rehman (حفظ الله تعالى)
Prayer(صلوات(درودوسلام)) on the Prophet(صلى الله عليه وسلم) will always benefit you. His Highness Al-Shaykh Hamza Yousuf (حفظ الله تعالى)
Be good to your parents and your teachers. Serve them and care for them and make them happy. Honor the men and women who made you. And the best way of honoring them is by implementing what they taught you. Anything good you do – it's because of them and they have a reward in it. Anything bad you do – it's because your're a fool and it's all on you. His Highness Al-Shaykh Usama Canon (حفظ الله تعالى)
Fullfilling family responsibilities is an investment in our hereafter. His Highness Al-Shaykh Saad al-Attas (حفظ الله تعالى)
When you shake hands, the more beloved to ALLAH is the one with the best facial expression (smile). His Highness Al-Shaykh Waseem Ahmed (حفظ الله تعالى)

مرحبا يا مصطفى¹ (صلی اللہ علیہ وسلم)

Marhaba Ya Mustafa (صلی اللہ علیہ وسلم)

Url: <https://www.youtube.com/watch?v=bdSlbj8-qOI>

[POEMS] Now some points about Qasaid al-Gharbiyyah. **First**, by mentioning that written upon or say fitted with either soft or orchestra tune (لحن) etc., nor meant tune (لحن), in real a message being rendering, that's why on some places, nearly in all poems (specifically tune (لحن) based), one may not find or rhythm isn't present (though faqeer could do), contrary has to place a break either before or later, whereas on some places have to read fastly and so on forth, hence our purpose isn't tune (لحن). **Second**, in last two poems (9th and 10th), STANZAS are in upper layer, whereas ZIKR is in second layer as before(s); regarding tune (لحن). **Third**, words can be replaced on many places (stanzas in several poems; mostly [تقریباً]) has kept this feature in mind before starting, hence on several places similar in meanings or weighted words are known or say they are behind the cited words; for instance in Poem "Faithful's Strength (P.57)" at first stanza, word ASAL (اصل) can be replaced by SHERT (شرط), it will not imbalance the STANZA, in meaning and tune. **Fourth**, hadn't did complete interpretation (of all poems), contrary has left or say are partials (even those whom had been did), however Faqeer has and will keep in mind all our previous little efforts before whenever writing new, and it wouldn't be colliding (انشاء اللہ), contrary will be based upon them or say highlighting there illuminated aspects (either all or some etc.), i.e poem "... Natoinal Armies ..." and ahead, therefore if likes to do (interpretation), especially last one (National Armies | 10th) then permitted (even whole institute can sit for it; & will see what they enumerate, or reached at), however will reveal some interpretation later.

NOTE: In Faithful Strength (9th Poem), at last STANZA, also called MAQTA'A (مقطع), by BUKHARI, meant Gathering of Mystic Rejoice Dervishes (حلقہ یاران مست بگوشہ گفتن), as SINGULAR (واحد) comes or used for PLURAL (جمع), or meant PLURAL (جمع) sometimes; an Arabic Grammar Rule (applied) and second can understand through this stanza:

(بفیضان رضا)
 اُسی کی قوت، اُسی کی قدرت، اُسی نے بدلی، یہ سب کرشمے اُسی کہ تو ہیں
 مجال ہو اپنی، قوی بھی ایسی، دکھا دیں ویسی، بنے تھے ذریعہ دکھانے کو صرف، تجلیوں کے
 [از تنزیل بخاری (غفرلہ)]

*Ussi Ki Quwwat, Ussi Ki Qudrat, Ussi Ney Badli, Yeh Subb Karishmay Ussi Kay Tow Hain
 Majal Ho Apni, Qawi Bhi Aisi, Dikha Deyn Weysi, Baney Thay Zarea Dikhaney Ko Sirf Tajalliyun Kay*
 [Eng. Trans.: Its might, its authority, (&) its alteration – all these wonders (phenomenons) are belongs to & is of almighty ALLAH | Our ability (for doing), so colossal (strength), to express (do you think) – only became mean for those radiants (illumination)]

Footnote: These matters are dangerous too, meant either could be showered with blossoms otherwise hanged (If Mystic Personages Court would be held for it), hence one has to be very careful. **Query:** If so dangerous then why expressed or one needs to practice? **Answer:** In time of hopelessness & instigations, to retain faith, righteous and

valid, Mystic Personages shown so that, MUSLIMS especially (weak faith or troubled), may not left right Path or becomes retarded, that is ISLAM (Ahl'al-Sunnah Wa'l-Jamaah); hence whether one will be awarded with such pleasantries or not, practicing Islamic teachings are must and shall be continued at any cost, being a MUSLIM. واللہ اعلم

خاک ہو جائیں عدو جل کرمگر ہم تو رضا – دم میں جب تک دم ہے ذکر انکا سناتے جائیں گے

Khak Ho Jaiyn Aa'do Jal Ker Magar Hum Tow RIDHA

Dum Main Jab Tukh Dum Hai, ZIKR unka Sunatein Jaiyn Gay

[Eng. Trans.: Ruined to dust, all offenders, but we ridha – till last of our strength will keep doing (or say expressing) his (صلی اللہ علیہ وسلم) remembrance (Zikr [ذکر])]

[REMINDING] Don't forget FAIZABAD GATHERING – 2017 Martyrs (28 Approx) into your blessed gatherings (praised specially), as all unarmed and peaceful Muslims sacrificed (it was 6th Rabi'ul Awwal Sharif - 1439) themselves for Honor & Finality of Sidna Muhammad Rasool Allah (صلی اللہ علیہ وسلم).

This is into request(third and final time), though revealed earlier that will do at upcoming new Islamic Month, Honorable Rabi'ul-Akhir, though a PAIN has struck at such level hence it remained intolerable, therefore please see request below. جزاک اللہ

UPCOMING WORK

Illuminated in maktubat nuriyyah v.3, pg.105, "... Illuminated in this mail, "انشاء اللہ ... discusses this matter in upcoming work (book | *Next Edition*); has noted down some, not all points, in regards of Master Zaid Hamid Shah Shb facebook posts for Afghan-Taliban ..." but then revealed later the alteration (decision | *in Plan*) in one occasional mail as following, "... Refraining from reviewing in details here, as noticed (FB Posts | *After 10th Oct.*) all and already told that will response them, though decided separately besides in next book (upcoming), though earlier mentioned that will not cares if under progress work goes on or crosses thousand pages mark, in regards of issues and matters depth explications, but now made little alteration in plan and picked few matters from last published book, and explicates them in separate transcript form. ... [Greetings Shaban[شعبان مبارک] (Night-of-Bara'at[ليلة البراءت]) | *Maktubat[مکتوبات] Pg.155*"]

Well not forgotten these lines, contrary decided to written upcoming work upon, another 14th Century Revivalist, Imam Allama Muhammad Yusuf Bin Ismail Nibhani (قدسره العزیز) style, mentioned at one place, "[Mafhoom(مفهوم)]... I'll be happy if someone published them either in one book or separate manuscripts, permissible ... [as they were written in such manner, that could be published in both ways, Faqeer] ..." See Imam Nibhani (قدسره العزیز) written work. جزاک اللہ

STATUS

الحمد للہ, please find the attachment of **al-Maktubat al-Nuriyyah v.3**, with this mail, has been reviewed again, and all known sights were removed as well as Roman-Arabic/Urdu words have been transformed into their respected text; besides on few places being left for readers to get by themselves, because frequently used wouldn't becomes problematic to pick up quickly. **Second**, on some places repetitive words & lines either being removed or

reduced neither bothering the matter nor meaning. Proof, previous version was above 206 Pages, whereas it has been reduced to mention. Third, now only few remain maktubat v.2, transcript and a book, which are under progress, and soon be updated to all. انشاء الله

After reading previous work, feels pleasurable, that ALLAH (سبحانه) has taken such service from our small team, possessing not much resources neither knowledge contrary very limited, although many has left whereas only two or three are now servicing, and their path is little different then some leftovers; it is now only ZIKR[ذکر]. However the point, that really caught our eyes (made attention) to start, is revealed by His Highness Master Zaid Hamid Shah Geylani(حفظ الله تعالى), few years ago, that there are many patriotic children defending Pakistan into cyber world under very limited resources (especially with their POCKETS to bare cost), hence very encouraging and motivated, thus urged our Social Circle either for initiation, بإذن الله تعالى, by leaving end result upon ALLAH (سبحانه), whatsoever it would be, acceptable.

Third, do not be confused of The Qadri Sword Team and DAR – HAQQ, as both operations are little different, though correlated to each other, that earlier was started for doing STUDIES and ANALYSIS with evidences, especially regarding Geo-Political, whereas another was Islamic Literature Propagation Institution (Online), however both founded by Faqeer(غفرله), but comprised upon different TEAMS. The Qadri Sword Team is dispersed, although as mentioned earlier, now remains only two members besides Faqeer(غفرله) engaged in ZIKR[ذکر] only, whereas DAR – HAQQ Team, is comprised upon Islamic Scholars (including Faqeer's assistance) and few helpers, related to teaching & studying[تدریس و مطالعہ], Islamic Literature; that's why sent their MAIL(s) via our account, only in case when theirs didn't works [See Note 1 in Ref].

REQUESTING

Like to express, our sympathies and solidarity with TLP Leadership and Members (unarmed and peaceful), that very sadly and unfortunately, being first stolen MANDATE (In GE-2018), and then BETRAYED (Not fulfilling 2nd Nov, ACCORD at which ended Agitation), and now finally DETAINED unjustly and persecuting after torturing, upon putting false cases (accusations) containing no justification, as their stance is according to ISLAM as well as PAKISTAN's Half Islamic and Half British Constitution. Therefore requesting Muslims around the world to pressurize our authorities to stop such atrocities, and for their release along with removal of false accusations and cases, so that they may live as other are living independently and peacefully, as well as continues their Islamic Sufi Practices.

Please Do: **RECITE FATEHA**[سورة فاتحه(ایک بار) و سورة اخلاص(تین بار) – اوّل و آخر درود شریف(3 بار)], for all MUSLIMS, Knowledgeable[علماء] & Common[عامی], whom had lost their precious life in unjust detention; after torturing. May ALLAH grant relief rest and punish all those whom are doing this.

Isn't a dilemma, that wouldn't let ISLAM at state level, and then complaining why ALLAH is not sending mercies upon us and contrary wrath upon enemies (or made us alike powerful so takes revenge), whom are killing us or accusing us of terrorism etc., whereas in real they (enemies) are using/controlling both sides; Muslim World Government(s) and the Terrorism [See Note 2 at Ref.]. Do Think

The Inbox (request) can be send to Hon. & Resp. His Highness King Al-Sharif Muhammad of Morocco, Hon. & Resp. His Highness King Sharif Abd'allah of Urdan and Respectful His Highness King Salman of Arab Sharif (Saudi Arabia), May Allah increase and prolong their reigns, just for their attention and assistance, to urge Pakistani Authorities for Muslims Knowledgeable and Commoners release and removal of all false cases based upon unjustified accusations. جزاك الله

To all Respectful HEIRS, may their reign be increased and prolonged, by grace of almighty ALLAH, for satisfaction, can meet them, and would be then cleared why supporting, because understanding the level and language requires equivalent status in knowledge and practices, which is rare in Pakistan specifically, can't says about abroad; recognizing WALIULLAH[ولى الله] itself requires some sort of firm belief and knowledge, which is then are rare in MUSLIM World, otherwise wouldn't be in turmoil. I am a Faeer Dervish, don't possessed any sort of strength nor any authority, however can only do request or raised voice through or under available resources; so that may be exempted from questioning hereafter that why didn't expressed when Knowledgeable[especially my WALIULLAH(ولى الله)] are persecuting unjustly; and our concerns can be checked or scruitnized by meeting physically all those whom has been supported since initiation, and you'll have the proof [See Note 3 at Ref.]. جزاك الله

CONDOLENCE

Like to express our grieve condolences to His Highness Al-Shaykh Muhammad Hisham Kabbani(حفظ الله تعالى), at sad demised of Al-Shaykh Syed Muhammad Adnan Kabbani(قدسه العزيز), a loss in time of unclear and blurr era, where Muslims are already suffering from deception and extortion. May ALLAH shower uncountable mercies upon his blessed grave?

Uiyghur Poem [With Music]

If inquired that, what about if assistance (for detained Knowledgeable and Muslims) wouldn't comes or not being given? **Answer:** Well, numerous ways to respond though in brief, that will tolerate it because than nobody can prevent upcoming in consequence, that has been written, ALLAH[الله] KNOWS, and the whole world will see, as also mentioned in

QASEEDAH NAIMATULLAH SHAH WALI. **Second**, Kerbala Event and alike, are not forgotten neither can be erased from HISTORY, along with theirs then consequences, and is enough for one to understand. **Third**, opposing Waliullah [ولی اللہ] meant rather detaining, killing etc., would definitely brought wrath in return, as mentioned in blessed saying that, '[Mafhoom (مفہوم)] ... whosoever declared war against my friend, I declared same in against ... [حدیث قدسی]' and it has been examined at 2016-17 Agitations esp., divined assistances for them, hence would be better if do effort, for their release, by keeping before the blessed saying, and shun from objection so to fleeing away from point of no return. واللہ اعلم

O'ALLAH [یا اللہ], my hairs becomes WHITE, and bones are deteriorating, and looks older [ضعیف] then olds [ضعیفوں], in such young age as not ill, only in the pain of UMMAH [أمة] [مصطفیٰ (صلی اللہ علیہ وسلم)] passing my days though tried to fleeing but fails hence its still persisting, that what a magnificence [ذکر] you have created and then granted, especially when they remembers you, but still then not able to getting back lost pride and glory, hence giving impression that what wrong we did or doing that are still suffering from destruction and deception, why not standing as EMPIRE, based upon ISLAM [اهلسنت ولجماعت], so that all injustices and prey may comes to an end, and all (Muslims and non-Muslims) may embellish and enjoy with true magnificence, for which all has been created.

Finally, keeping our custom of SUPPLEMENT will be send at upcoming new ISLAMIC MONTH. Although many Congratulations [بہت بہت مبارک ہو] upon blessed month of Rabi'ul-Awwal.

[Note 1] Therefore, in upcoming work only discussed leftover matters, nor any new, especially concerning to Geo-Politics, as for it, you need evidences[esp. witness], besides relying totally upon MEDIA; it is also against method of gathering witnessing, والله اعلم. **Second**, nearly all SCHOLARS (Dar – Haqq Team) linked specifically to Taaj-ash'Shariah Badr-at'Tariqah(قدسه العزيز) CHAIN[سند], of Order[طريقه] and Permission[الاجازة]. الحمد لله

Note [3] Has raised in past, including for Master Zaid Hamd Shah Geylani(حفظ الله تعالى), and is thankful for all whom had did effort physically, especially His Highness King Salman of Arab Sharif[*], similarly asking for Imam Allama Khadim Hussaiyn Shah(حفظ الله تعالى) and the rest Knowledgeable[علماء], whom had been detained either along with common Muslims, rather than taking them into trust and for advice, contrary being deceiving, especially visioning to revival of ISLAMIC SYSTEM(Nizam'e Mustafa a.k.a Khilafat Rashidah). والله اعلم

[POEM] Well, sharing for some reason, meant PAIN, being revealed in this POEM[قصيده - يوغر], whereas sorry about MUSIC.

Footnote[*]: There is an opportunity, for sustaining REIGN, if supported WALIULLAH[ولي الله], Imam Allama Khadim Hussaiyn Shah(حفظ الله تعالى) and rest Knowledgeable[علماء], as in Faqeer's knowledge that is in trouble or say dwindling, therefore if help in this matter then in reward would get strength from HEAVENS[من الغيب]; fate is in one's hand, as HUMAN aren't created so powerful neither powerless. *Do Think*

[QUERY | **At footnote**] Okay, if granted relief, in other words release from detention, then upcoming would be changed or it will still remain present? **Answer:** Depends upon then acquiring POLICIES or say REFORMS, whether did or not. Being a MUSLIM, one has to oblige QURAN & SUNNAH, not else therefore practicing other than would definitely remain a SWORD upon head or say walking at its FINE TIP; matter of FATE hence shall be refrained. والله اعلم

SUPPLEMENT

[MISTAKE] Well like to express that please regret COMPOSING mistakes, as sometimes in fast typing keys weren't either pressed correctly or remain left, even team wouldn't able to look it back, and so published it. However we maintained major four languages dictionary before, so that WORDS may be written correctly; for check'n balance. **[Note that]** It is not easy to work here in our environment due to tense conditions surrounding or encircles, causing mentally disturbance rather than ease or tranquility; due to its high vulnerability compares to Master Zaid Hamid Shah Geylani (حفظ الله تعالى) area. *Do Remembers*

Word “گذارش” has been rectified “گزارش”; second it's a PERSIAN [فارسی] word not URDU [اردو], though used in it, alike other words being used. جزاک الله

[SUNNAH] Knowledgeable [علماء] says, It is accordance to or says compliance to SUNNAH, doing act three times, for instance knocking door being said to do three times, if responded then fine otherwise shall return; see concerned books or ask knowledgeable [علماء]. Similarly have raised our concerns three times[*], and now will just wait and express tolerance, and wouldn't revealed any negative or positive impact from onwards. والله اعلم

Note[*]: It is under “**From Cradle To Grave | 4th Ver. Release Mail**” note, and then for second time, see at Maktubat Haqqiyyah v.2, pg.23 [جزاک الله]. **Second**, in real wouldn't wanted to write anything neither illuminating matter(s), as doing some at social network account tentatively, but Hudhrat Masood Ahmed Shah al-Hussaiyni (حفظ الله تعالى) has enforced or say urging faqeer bukhari (غفرله) since long time therefore in his respect initiated, though keeping aside from current affairs[geopolitical] for while, and just focus on greetings along with some Islamic Matters [سنت] and may be takes break time to time, ahead. والله اعلم

[UR-LISH] Likened the term very much, from honorable and respectful Master Zaid Hamid Shah Geylani (حفظ الله تعالى), and would likes to express that on some places, nearly in all our written work, readers may found URLISH or say ARA-LISH, hence try to adjust through frequently usage of those particular words [if not written with original text, in brackets], hence wouldn't be problematic neither confusing; continuous reading made use to, have experienced. Well to Master, then what about this MAIL subject [درخواست برائے تعاون – بلخصوص الملوك المعظمان], Persian and Arabic, which forms PER-BIC[:]) ... Similarly what about this, “**Ana Kher From Pakistan** [فقیربخاری؛ پاکستان؛ فرام پاکستان]”, see the flow, integration, alignment, friendship, unity etc., among Four Languages, then saying no unity [:)].

[HONOR] Nobody is doing POLITICS, upon the blessed name of Sidna Muhammad Rasool Allah (صلی الله علیه وسلم), contrary it is a matter of HONOR and taught by Himself (صلی الله علیه وسلم) either, and also integral part of ISLAMIC SYSTEM, though which currently we didn't practice, therefore justice has to be delivered, either accused otherwise accuser shall be given punishment; inevitable upon UMMAH [أمة]. And in not doing so, then wrath will may come, upon

negligence or say ignorance. Some idiots thought, or seem clearly that being guided by their handlers/masters to defame ISLAM[اسلام], by placing such filthy accusations that MAAZ ALLAH[معاذ الله], Knowledgeable[علماء] are doing Politics upon blessed Prophet(ﷺ) name. [لعنة الله على الكاذبين]

Note: Numerous innocent Muslims have lost their lives (or say sacrificed themselves upon Honor & Finality), and still blind and deaf; especially since emergence of this instigation, as not resolving it deliberately.

Therefore requesting to all just pressurize Authorities, for Knowledgeable and Common Muslims sudden release, without any further delays, as well as removal of all false and fabricated accusations (based cases), especially of terrorism, MAAZ ALLAH[معاذ الله], as it's a history, that Muslim-Sunnis[Sufis] never did neither ever involved in terrorism; according to Knowledgeable[علماء]. والله اعلم

Welcoming the Blessed Month of RABI'UL-AKHIR – 1440H, a month into which Sidna Ghawth'ul-Azam Al-Imam Al-Shaykh Abd'ul-Qadir al-Geylani (قدسه العزيز), left this mortal world after enlightening it with radiances that were faint and nearly diminishes. جزاك الله .

ASSISTANCE

In their religion (or as per their faith | *Intruderism*[خارج؛ خارجيت]) it is polytheism to ask help from other-than-Allah((وهاييه)) ... after few lines ...? If ever have interaction or chance to debate with them, by presenting this concern, they'll respond you, asking help from alive (physically present) is valid and justified. So tell us, when Muslims asked Help from non-existing or not physically existed bodies, contrary asked/calls alive ones (Contains Physical Existence[وغيرهم]) for help. To this, they say usually that, deceased can't help. Therefore tell us, when Soul dies, it just only changes of dimension (Switches | *Leave Body*[though interlinked too]), from one to another. Secondly, human beings aren't alive due to blood only, it's a secondary element, but in real they are or becomes alive due to Soul [امر الله – الله كى], say core element of our existence. At this they'll respond that hidden can't help (After demise | *Can't see them*). Thus tell us, then what about Angels and Jinns, if hidden don't possess any ability or strength as well as switching dimensions (Second, refuting Angels and Jinns is profanity | *See Jurisprudence Books*[بهار شريعت]), similarly, what about Martyrs[شهيد(شهداء)]-(Alive after sacrifice, and help either). To this, maybe they becomes anger (and if doesn't | *It's fine*), and respond, is it necessary or what need to ask help from creatures, isn't Allah sufficient for us. Hence tell us, same here, why asking help from creatures, isn't Allah sufficient for you (where is Oneness or Martyrdom Lectures[درس توحيد يا شهادت] ...?). Second, for Muslims, asking assistance from physically present or departed bodies is equal matter; hence right and justified in any circumstances. Note: O'Dea, reason to illustrate is only for illuminating their deception (Deliberately | *Alike Jews that knows reality but then didn't called belief upon Sidna Muhammed Rasool Allah*(صلى الله عليه وسلم)), which they usually inflict to common Muslims for deviation otherwise to confused them, in the name of religion from righteous religion (Islam), whereas assistance, by or say for human being (believers

| *Muslims nowadays only*) isn't impossible (before or after demise) contrary very eminent and being does by departed ones, besides alive (See Concerned Books | *Tasawwuf etc.*). Impeding here for while and discuss this later (upcoming book). **والله اعلم بالصواب**

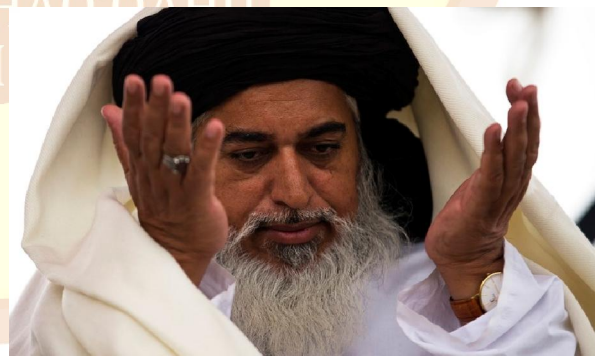

Excerpts Taken From:
Maktubat Nuriyyah v.1 | Pg.127

Asking for assistances, from demised ones, especially divined personages and martyrs, is equal in status, alike asking help from ALIVE, there is no such rule present in Quran & Sunnah, for it to be polytheism[شرك] or profanity[كفر], if considering ALLAH(سبحانه) as Sole & True Helper[بذات] [يعنى حقيقى؛ بذات], whereas rest are by ALLAH's grants[عطا سے]. Do Think

ABOUT PAKISTAN'S FUTURE

At Pg.26, revealed two sayings of Mystic Personages, thus didn't quoted[See ref. also] Hudhrat SHAH Shb (حفظ الله تعالى) full statement[پوری بات], contrary hided second part, only to avoid instigation, that is possible or may erupted[if quoted completely], whereas second one[which was revealed later after Hudhrat Masood Shah Shb's], was in support or say for strengthening, but seems clearly that not taken well or understanding correctly contrary abusing or incorrectly, hence there is none obstacle upon its results from Saints. **والله اعلم**

***This would not incursion, neither is right perception
That light cause intrusion, and it creates subversion***

***If release from detention, it extends your subjection
That may look extortion, no neither its reversion***

ABOUT FORMER PRESIDENT

Well may be considering us twister or u-turn taker though wasn't however it's about understanding. Since his visit to KHANQAH NEKSIBENDI – KIBRISI, supporting in affection and will remain until goal wouldn't achieved, however heard that being suffering from illness, thus praising for betterment[complete recovery], though Former President[See Ref. also | *President*] shouldn't took some steps in PAST (during tenure), especially against Knowledgeable of Islam (Ahle-Sunnah[*اهلسنت*]), though forgivable because their words in return has been came true either, but again like to express that DOOR of repentance is OPEN not CLOSED, and it is ISLAM to praise for returning until not closed; among sign of last days, that a day comes and after that door of repentance will be closed forever. والله اعلم

GRACIOUS-SAINTS [صوفياء كرام]

Blessed Saints [اولياء كرام] (رحمة الله تعالى عليهم اجمعين)

STATUS: O'Dea, after Gracious-Prophets & Messengers[عليهم الصلوة كرام], in sight (divine presence) of Allah, Friends[اولياء جمع ولي], has significance due to several reasons; mainly obedience, steadiness, miracles and memembrance. **Obedience:** Through practices (obeying teachings righteously and with purity) attain such level which made them very closed (Divined[مقرب]). **Steadiness:** Their main purpose of presence amongst people is for securing and propagating the heavenly teachings (Shariah brought/presented by Prophets[انبياء كرام (عليهم الصلوة والتسليم)], which we mentioned in 4th article under 'Enlighten[النور] [Pg.8]' that, "... Therefore how could be possible that persistence (means resistance) would stopped easily or vanish completely while chapter[باب] has been closed (closing of Guidance via Prophets[عليهم الصلوة والتسليم]; which was always had shown resistance) and none will be coming further (means new prophet) and the custom of addressing (delivers) have been then given to perform by Friends[by birth, which are one level below Prophets[عليهم الصلوة والتسليم)], (think on this point)] ..." **Miracles:** In reward, upon following the sent guidance (via Prophets[انبياء كرام (عليهم الصلوة والتسليم)], Allah[سبحانه] grants them such abilities that are sometimes impossible for common people to do [not for Prophets[عليهم الصلوة والتسليم)], in real it was their (Prophets[عليهم الصلوة والتسليم]) replication (U: يرتو) like Sidna Ghawth'ul Azam[قدسره العزيز] alived a deceased one[قوال] and several others (uncountable). **Reminds:** These attributes of Gracious-Friends[اولياء كرام (عليهم الرحمة الرحمن)] proved them the chosen personages (Persian: هستيان) whom not only delivers right teachings for obedience, and then be steadiness upon it whether rewarded with miracles or not (miracles are not necessary to happens from Wali[ولي]) but also their presence reminds Allah[سبحانه] might and creativity, therefore Friends[اولياء] have no fear as well as neither any grieved about their selves or any matter or issue relating/concerning to them, and there honor have been revealed in Quran Majeed as, "(Mafhoom[مفهوم]) ... **Listen carefully! No doubt, there is no fear nor any grief upon the friends of Allah ... [s.10:v.62]"**

ABOUT MUSIC | Shall Avoid

Here like to conclude ours' little effort; in an abstract. **HONORABLE-BIRTH** [مولد شریف]: O'Dea, Honorable-Birth [مولد شریف] of ours Beloved prophet (نبی المحبوب), Master of all universes (سرکار دو عالم), King of all prophets (سید الانبیاء), Sidna Muhammed Rasul Allah (صلی اللہ علیہ وسلم) is stipulation of belief, and whosoever refute or even denied wouldn't left a Muslim anymore [1]. In reality, refutation or objectioning is a conspiracy to divert [2], Muslims from religion (U: دین سے پھیرنا ہے) otherwise to inflict confusion. **Organize:** Therefore blessed sessions (U: محافل مبارک), shall and so must be [3], organized under one's own best capacity and ability (U: استطاعت کے مطابق) with cleanliness of both aspects, inwardly (Batin [قلب؛ باطن]) and outwardly (Place [مقام]). **Avoid:** However Music as well as Clapping & Alcoholic fragrance (if using), shall be avoid [4], because Stratagem is present for earlier but not for the latters. **Performance:** About presenting Tablo (Performing Skit), by children (though young/elders also do [بڑے بھی پیش کرتے ہیں]) has been seen nowadays (in most parts of the World), thus contains no objection, because its purpose (Honorable-Birth [مولد شریف] | "Fal-Yafra'hu" [فل یفرحو]) is to express [5] ecstasy and gratitude (but shall be under respect). **Day:** Allah (سبحانہ) sends Peace (Salutations [سلام] | Yau'ma Wuli'da Wa Yamu'tu [ایوم ولد و یموت]) on a day when born and then when leave (Demise [وصال]) [6], hence left no place for objection therefore Muslims shall and so must do same in accordance that sends peace and blessings as much as could (or say possible); besides getting confuse (Day of demise | As per some reports [interpretations]) or stops (Whether permissible or not | Satanic Assault). Allah knows all the best.

Well two different TEAMS, one comprising upon SOCIAL CIRCLE, however it has been dispersed [and now just doing ZIKR; leftover members], whereas another is just engaged in TEACHING specifically, whereas few members are doing small trade either along with it [paying your regular DEBTS isn't that easy, due to inflation, here in PAKISTAN]; whereas already presented CHAIN[See ahead also | Pg.67]. **Second**, our efforts are just grant of ALLAH(سبحانه), which is by virtue, specifically of present era GRACIOUS-SAINTS[صوفیاء کرام], including recently demised ones [Mentioned at book | *Dedication*], and nothing else.

ABOUT FORMER PRESIDENT

Still remembered well, after leaving OFFICE (2008), former President has expressed, in following words, “[Mafhoom(مفہوم)]... let follow QURAN & SUNNAH ...”, and might be due to that being picked, from Heavens. Allah knows all the best.

Whereas, about previous MAIL illumination so it was afterwards, in 2012; hence following since due to reason. However doesn't wants to hurt neither enforcing, if wants to aside then its upto HIM. Our praises for his betterment and recovery will be remained present.

FOR PRIME MINISTER

Muslims would never accused anyone of being JEW AGENT, until or unless one looks inside itself, that what's wrong being doing, hence whenever faces such accusations, better look towards ownself, meant SYSTEM, that whether accordingly or against STATE & IT'S PEOPLE (esp. Islamic or not), hence should be careful, Master Zaid Hamid Shah al-Geylani(حفظ الله تعالى) is absolutely right, “[Mafhoom(مفہوم)] ... Being a PM of PAKISTAN is a big responsibility ... [Not a Piece of CAKE, Faqeer] ...”

ان تارخہ ماؤں میں اس کے وطن ہے
جس پر اس کے ہندسہ کا نقش ہے

Honorable & Respectful
Master Syed Zaid Zaman Hamid Shah al-Geylani (حفظ الله تعالى)

اسلامی عدالتی نظام میں کوئی وکیل نہیں ہوتے۔ مدعی براہ راست قاضی کے سامنے اپنا مقدمہ پیش کرتا ہے۔ جس کے خلاف مقدمہ ہوتا ہے اسے قاضی طلب کرتا ہے۔ آنے والے دونوں کو بٹھاتا ہے، خود تحقیق کرتا ہے اور فیصلہ سنا دیتا ہے۔ کسی کا ایک روپیہ بھی خرچ نہیں ہوتا، ایک دن بھی ضائع نہیں جاتا۔

اسلامی نظام عدل میں زور صرف اس بات پر ہوتا ہے کہ اللہ کے قانون کے مطابق فوری طور پر عدل اور انصاف کیا جائے۔ قانونی پیچیدگیاں مقدمے کے طریقہ کار، وکلاء کے دلائل اور کاغذی کارروائیاں، وجود ہی نہیں رکھتیں۔ مقصد فوری انصاف ہوتا ہے، نہ کہ کمائی اور کیس لگانا۔

انصاف کا حصول جب بھی کسی پیشہ ور طبقے کی کمائی کا ذریعہ بنے گا، اسی لمحے سے نظام عدل، نظام ظلم میں تبدیل ہو جائے گا۔ شرعی اعتبار سے وکالت کا پیشہ ہی حرام ہے، جیسے کہ منکر کی سودگاری یا صفائی کے جھوٹ۔ یہ سارے پیشے شیطان کے ایجاد کیے ہوئے ہیں۔

[RECTIFIED] At Maktubat Nuriyyah v.1, pgs.126 & 134, word “جذب” has been corrected “جذب”. **Second**, since long time, we’ve been expressing about mistakes, so likes to add further, when started little efforts kept before an aspect of teaching for building up vocabulary, specifically in context of Right & Wrong Words, for instance, word ENGAGE[Jaz’b | جذب, جذب], REQUEST[Guza’rish | گذارش, گذارش]; green is right, whereas red one is wrong, hence numerous examples were presented or can be given, from our little efforts specifically. Therefore expressing continuously is to teaching or signifying; it also supports in reminding the SUBJECT too; *Do Think*. **Third**, ERROR[c] means MISTAKE, which implies OVERSIGHT, hence by mentioning KNOWN-OVERSIGHTS, actually was indicating towards VOCABULARY Build-Up, as nowadays Muslims are very careless and ignorant, therefore planned to provide such foundation for learning, which includes Faqeer itself either; however apologized to all before, especially Knowledgeable[علماء] and Learned People[اهل علم], if considering it blunder or wrong initiation. والله اعلم

ISLAMIC SYSTEM

As we stated, that Islam[اسلام] has its own political system, so it is actually based upon mutual advices (U: بابمى مشورے), renowned as “Adisory Assembly[مجلس شورى]” comprised (must be) on pious and Knowledgeable(علماء) personnel, called Legislators(علماء), responsible for forming Laws (Under/through Quran & Sunnah[قرآن وسنة]), whereas implementation is the responsibility of Executives(أمراء), supported (Monitoring) by Ministers(وزراء), all leads by Authorized meant The Supreme Commander or said The Sultan(اولى الامر يعنى صاحب السيف يا سلطان وقت).

Whereas, The Supreme Commander(صاحب السيف) is not only responsible for monitoring the whole Sultanate[سلطنة] Operations from Chair(مسند يا منبر), but also the Hierarchy means chain of command; Governance, means peace and stability; Justice, means social and economic balance; and all concerned, by visiting (Borders & Lands, as well as residential and commercial areas) them regularly.

Excerpt taken from
SUCCESS OF AN UMMAH ON AL-MARKAZ | Pg.87

Caliphate or Sultanate (نظام مصطفیٰ (صلی اللہ علیہ وسلم) المعروف به خلافت راشده)

“... Religion (Islam[اسلام]) is mercy, not a burden, as mostly thought or expresses their behavior either skeptically or ghostly whenever asked them; do you want religious system at State Level? And that’s why Allah’s Mercy (Rise & Shine(فتح)) isn’t coming to Ummah[أمة], contrary suffering from disbelievers (hands | *Bombardment, Conspiracies etc.*), because we weren’t asking for nor wanted ...”

SELECTION

Islamic System, for SELECTION, is comprised upon four ways:

[FIRST] People picked someone, fulfilling criteria (علمیت، قرشیت، حربیت وغیرم), presented before all (especially Tribal Leaders/Elders & Knowledgeable), and then they SELECTED (By Mutual Consent) the personage as EMIR[امیر]. First Righteous Caliph Sidna Siddiq’e Akbar (رضی اللہ عنہ), became CALIPH[خليفة] through this process. واللہ اعلم بالصواب

[SECOND] The Predecessor (CALIPH[خليفة]), either forwarded or appointed afterwards, whom fulfilling CRITERIA. Second Righteous Caliph Sidna Farooq’e Azam (رضی اللہ عنہ), became CALIPH[خليفة] through this process; all gathered upon him (رضی اللہ عنہ) by Mutual Consent. واللہ اعلم بالصواب

[THIRD] The Predecessor (CALIPH[خليفة]), presented some names fulfilling criteria, before all, and they through Mutual Consent SELECTED one personage as EMIR[امیر] among them. Third Righteous Caliph Usman’e Ghani (رضی اللہ عنہ) became CALIPH[خليفة] through this process.

Note: Hudhrat Usman’e Ghani (رضی اللہ عنہ) was mutually picked (Selected) by all after Martyrdom of Second Righteous Caliph Farooq al-Azam (رضی اللہ عنہ); whom had forwarded SIX Names. PARTICIPATION

Do remember, that Ameer'al-Mujahideen[اميرالمجاهدين], Ustaz al-Ulama[استاذ العلماء], Shaykh'ul-Hadith Wa'l-Tafsir[شيخ الحديث والتفسير] Hudhrat Allama Mufti Hafiz Imam Khadim Hussein Shah al-Hanafi al-Ridhavi(حفظ الله تعالى) is not standing, from any location, as candidate, whereas Muslims, upon Hudhrat Shb(حفظ الله تعالى) behalf are participating, only to prevent such happening again in future as well as try to make ways for reforms, and this all depends upon conduction of election, if, otherwise all knew either that through this system, it wouldn't be possible to bring Islamic System, though something is better than nothing, hence doing campaign, till new system would come either peacefully or chaotically. والله اعلم بالصواب

Note: May objection, then it would be not justified, that pushing people (Participants upon behalf of TLP) into chaos and keeping himself away? Answer: Well not pushing anyone, contrary for them (all whom participate) it would not be less than effort (جهاد بلسان والقلم) and surely they get their rewards, from Allah(سبحانه), because going for religious purpose not any self interest or means, upon recommendation of Hudhrat Shb(حفظ الله تعالى), hence wouldn't be objectionable either. VACANT | Seat

Even last year, in 2017, Hudhrat Allama Khadim Hussain Shah al-Hanafi al-Ridhavi(حفظ الله تعالى) didn't participated in NA-120 (Lahore) Seat either, which was became vacant after Former PM Nawaz Sharif (also called by people Miyan Saanmp[میان سانپ]) disqualification or say ousting from seat (as PM), in real a representative upon Hudhrat Shb(حفظ الله تعالى) behalf was enrolled, and after to much cheating and rigging, gained third position, which wasn't shown by MSM, as being boycotted (or say placed banned by corrupt authorities).

Why Hudhrat Shb(حفظ الله تعالى) isn't participating? Several reasons, could be, but few which Faqeer along with DH Team, enumerated are, that Ameer or say a Sultan, never applied for participation once being selected (by Muslims | *especially Knowledgeable*[علماء]), contrary He deployed subordinates. **Second**, already said that it is not Islamic Way(Teachings | *Way of Selection*), this Election Process, hence Muslims will see Mystic-Friends[اولياء الله] refraining from such practices. **Third**, being already informed, by government (corrupt authorities), that they have nearly 120 Ways of Rigging (deception to defeat), which shows naturally lost to public (whereas in real it was fabricated), hence that's why refraining either.

[One has been explained earlier, in to previous postings; titling "IF (p25 | Wed, 6th Shawwal, 1439)"]

The most painful matter, passed before (being heard) by Faqeer Bukhari(غفرله), that Hudhrat Shb(حفظ الله تعالى) had formed/built a complete Islamic Structure in parallel to this imposed Un-Islamic System[كفر كا نظام] in Pakistan, and was nearly closed to lay down it, but then Criminal-Knowledgeable[ظلماء جرائم] along with Government Agencies, not of deviated sect, but Muslims own has once again shown their inward darkness (sold themselves), only because lacking in knowledge and ability of judging and understanding the difference between Islamic System and Un-Islamic System.

There is a intense negative propaganda, being carried on still, alike doing previously, especially since 2011, against Imam Allama Khadim Hussain Shah al-Hanafi al-Ridhavi(حفظ الله تعالى), though has been responded tentatively by Knowledgeable and Himself either; well isn't such a foolishness, that Allah(سبحانه) has gifted us a pleasant pearl and rather than listening and then following to his blessed salvation (beautiful voice), going against though remember it would be dangerous if you asked Allah's mercy and so when it comes then you just turned face away. ELECTION | *Un-Islamic Way*

Well, it is not an ISLAMIC, whole process, according to Knowledgeable[علماء], hence going for it or say campaigning by even Knowledgeable[علماء] wouldn't made it right nor

permissible, but when there was no choice or say any other option being given (or say left), and wanted matters resolution peacefully, then forbidden has been said to used/acquire, in ISLAM (severe cases), to save life (alcohol is allowed to save oneself if water isn't available), then this measurement[قياس], is seems only exempted, otherwise labeling Alcoholic Drinks as HALAL[حلال] wouldn't made it permissible, what remains forbidden[حرام] or say not impermissible would remained prohibited. Hence, majority of renowned Islamic Scholars has gone towards this process in negation.

Note: Hudhrat Allama Shah Ahmed Noraani al-Siddiqui al-Hanafi(قدسه العزيز), was also among Mystic-Friends[اولياء الله], but even then was unable to brought Islamic System(نظام مصطفیٰ عليه وسلم) though acquire this procedure, otherwise majority has aside themselves, including present time Waliullah[ولي الله], Hudhrat Allama Khadim Hussain Shah al-Hanafi(حفظ الله تعالى) isn't participating (as CANDIDATE). Similarly Faqeer Bukhari(غفرله) is also not participating (as candidate), because when don't accept this procedure then will never goes for it; however will see for casting vote, and if casts then would be to TLP; so that religion may come at reign.

RIGGING | Mostly

[FOUNDATION] Pakistan was also formed through Election, conducted by then Britshers (Empire), though did rigging either but not in VOTING, actually in AREAS, as many voted to join Pakistan, but wasn't given to us. Well seems similar since then, RIGGING in Elections, being practiced after foundation, and there are numerous examples, including STAFF (ECP) and VOTERS (Common People) are present (alive), to verify. Therefore, similarly Knowledgeable[علماء], faqeer's speculation, has accepted the Military Advice, acquiring Election Way, otherwise options were on the table, according to Islamic Shariah & Tariqah.

Allah knows all the best.

[ELECTION or DECEPTION?] Elections being held peacefully, the first phase (VOTE CASTING) from Morning 8:00 A.M - 6:00 P.M Evening (Not Necessary An Official[ECP] | Could be different), at which didn't heard any news of panic or conflict or rigging (Pol. Parties Workers Jumped Into Station and Cast Votes | As did in before Elections, was

common), but then into second phase (VOTE COUNTING), started after 6:00 P.M (Evening), a “... **World Class Rigging (WCR)** ...” has been done/conducted, that it took whole night and has heard about injustices, whereas fabrication is tremendous (outstandingly), therefore alike Al-Shaykh Khadim Hussaiyn Shah al-Hanafi al-Ridhavi (حفظ الله تعالى) has rejected the results, similarly Faqeer Bukhari (غفرله) too, hence demanded complete scrutiny otherwise wherever TLP is claiming (Our Mandate shall be returned to us; 66 NA Seat Approx whereas numerous Provincial Seats (for complete details contact TLP Majlis’e Shura [مجلس الشورى]) | Military have CCTV Footages of every polling station, check it out) shall be heard. Remember, TLP is not saying that we won from all places, but on numerous have won with heavy mandate (both National & Provincial), including Faqeer Bukhari (ghafarallahu) constituency (NA-239 : PS-93).

UNJUST | Tolerate & Be Peaceful

Muslims in Pakistan especially, voted to TLP, now should remained, as always in calm and peace, because casted for Honor and Finality of Sidna Muhammed Rasool Allah (صلی اللہ علیہ وسلم), meant for religion, not for chair or power, though had shown and be seen either (by Authorities; including Agencies, Military etc), which in real already known whom possessed, therefore do (Succeeding Candidates) effort for justice (physically, to Pakistan’s British Courts) and then left the matter to ALLAH (سبحانه), that In-Sha Allah [انشاء الله] justice will be done (if not did by Humans), all will see criminals and their outcomes (crime of stealing mandate, in their supreme dumbness)

Note: Not writing Muslims, because a true Muslim; hence will definitely avoids to do this (stealing mandate through rigging). Even a child would sees it as crime, casting fake votes whereas burning, dumping, etc the real one and also removing the evidences (though many had been removed; BRAVO).

ALLAH IS THE SOLE CREATOR of EVERYTHING[بر شے] | Small Article

Everything comes in existence through proper procedure (or say being created by Allah, containing systematic way to come in existence), which is itself sensible and logical too, hence denying sole creator (own existence & oneness) is insanity and stupidity, that it contained initiation and then rest growth, meant take a example of yourself, first born at

womb, and then becomes baby, and then a boy/girl, and then man/woman, and then elder. Similarly concrete structure, of whatsoever purpose, initiated from foundation, and then pillars, beams, wall and roof etc. Hence, Ghazwa'tul-Hind [غزوة الهند] is also based upon like procedure; initiation, and then development, and then retaliation, do remember, Muslims haven't achieved or say are at initial stage rather than talking about rest stages, though if strive then could surpass it.

Hence let Democracy, fight this conflict, whereas Muslims shall kept themselves busy into Practices & Remembrances, as already were, and if not then shall start now. Second, those who think, have capacity and capability to fight, you have a choice; complete right.

MESSAGE | *For Pakistan Specially*

Met recently Hudhrat Syed Masood Ahmed Shah al-Hussaiyni al-Hanafi al-Qadiri (حفظ الله تعالى), and in SOHBAH expressed before Faqeer Bukhari (غفرله) to deliver this message hence presenting, to Muslims of PAKISTAN especially, that we are standing and with the present regime (including Military), and whatsoever hardship will comes would be temporary and will be removed, In-Sha Allah [انشاء الله], however remaining steady and determined upon right path and vision will leads the nation towards betterment; which should be acquired by regime, because then we will move towards improvement and Islamic System. May Allah bless Pakistan and its present Regime.

[FURTHERMORE] About, Imam Allama Khadim Hussaiyn Shah (حفظ الله تعالى), when Faqeer Bukhari (غفرله) told that mandate has been stolen otherwise they would be in reigned, then replied, it is FATE, and shall remained patient and tolerable as well as should stand with

Do remember, blockade or say seizure(محاصرہ) is permissible in ISLAM, but shall be justified and reasonable, not meant to harm neither for destroying Muslim State especially; only if matter is serious, meant of creed (against ISLAM) or rulers gone too far (بہت زیادہ ظلم) inflicting Muslim-State instability. Second, blockade can or say could be termed as EFFORT(جہاد) otherwise ENCIRCLING(محاصرہ), depends upon nature of cause or purpose for which it has been organized. Third, if purpose or say intentions are cleaned and defined (according to ISLAM, and for ISLAM), then remembers there always present SAINTS(صوفیاء یعنی اولیاء اللہ), as it has been revealed by Knowledgeable(علماء) in light of QURAN & SUNNAH, whenever there are 40 Muslims, among them a SAINT(ولی اللہ) is present; now think big or say consider about mob, an opened example is FAIZABAD AGITATION - 2017.

RECONCILIATION | *If succeed than be thankful otherwise tolerate*

At pg.68 of Maktubat Nuriyyah (v.2) stated, "... Second, like to express that MUSLIMS, shall and so should be remained peaceful, even avoids coming on STREETS unnecessarily, and let the matters, of whatsoever nature & status, left upon ALLAH (سبحانه), if not resolving via raising & enforcing VOICE peacefully through other means (say Masjid [مسجد], etc.), because rather than getting into trouble, as well as making problems for AUTHORITIES, would be better to leave it, however by enforcing peacefully, we meant via MASAJID [مساجد] especially and else appropriate means, though if someone[esp. Knowledgeable (علماء)] has taken it coming on streets so it would be one's own verdict [اجتهاد]; not saying wrong. ... والله اعلم."

If you asked SECURITY PERSON, why you comes on ground (standing), would replied that for guarding (security purpose), similarly if asked drivers, why you come on the ground, then definitely responded, to serve mass, and so on forth. Similarly Muslims-Knowledgeable [علماء] coming on ground, with common Muslims for expressing sentry for HONOR & FINALITY of Sidna Muhammad Rasool Allah (ﷺ), which is above, hence the most important task to perform, instead of all these worldly duties. *Do Think*

Reaction (Smilingly): Hmm ... Talks/seems sensible!

[For Americans] "... U.S(Trump) speaks better than Russia(Putin), whereas China(Xi) remains constant ..."

Reaction (Angrily): Are you nuts ... How can it be possible DAMMIT ... How that Comedian could speak better than his counterpart or superior ... total rubbish & racist (non-sense) though agreed with that constant factor.

[For Chinese] "... Whose speaks better than other, doesn't matter, because will always remain constant ..."

Reaction (Calmly): For rest world either, be a beating drum for one among two or alike Pakistan & India as variable, though our "... CONSTANT FACTOR (Constant-ism) ..." would be retained. Thanks ... {:)

HONOR | Creation & Divinity

“... ISLAM is (Sidna) Muhammed Rasool Allah (ﷺ), whereas (Sidna) Muhammed Rasol Allah (ﷺ) is the most Honorable (Created Firstly | Radiance) and Final Prophet (Sent Last | Embodied) of ISLAM ...”

O'Dea, ALLAH (سبحانه) is a sole creator of everything and independable, whereas all creations are ALLAH (سبحانه) magnificent and perfect creativity and are dependable upon ALLAH (سبحانه), and among them the most perfected and the best are Gracious-Prophets [انبياء كرام (عليهم الصلوة والسلام)], and into them ((عليهم الصلوة والسلام)) granted HONOR and DIVINITY to Sidna Muhammed Rasool Allah (ﷺ) specifically and especially, however besides all, only SATAN [شيطان - ابليس] has refuted that HONOR & DIVINITY (Refuted to prostrate | At order), at which being expelled suddenly when expresses it, however has vowed to stray creations (All living | Upon whom could assault), hence the battle was since started, and will be remained continued, until the day of judgement, however it's upto HUMAN BEINGS especially, though other living creations are also bind, to acquire the right path being sent via Gracious-Prophets [انبياء كرام (عليهم الصلوة والسلام)], specifically in last through Sidna Muhammed Rasool Allah (ﷺ), verifying all previous also. Hence what's count before ALLAH (سبحانه), isn't anything besides ISLAM, not else, as all rest are the secondary matters. Impeding here, and ALLAH (سبحانه) knows all the best.

PRESENT REGIME

At Maktubat Nurriyah V.3-Pg.26, revealed

Reveal one thing here and that is, if Imran Khan takes Hudhrat Allama Khadim Hussaiyn Shah al-Hanafi (May Allah Protects Him) into trust and do Reforms (Islamic) accordingly then would be able to complete its tenure otherwise wouldn't contrary will cause destruction to himself as well as to whole nation. Allah knows all the best

ایک بات بتا دیتے ہیں اور وہ یہ، عمران خان اگر حضرت علامہ خادم حسین شاہ صاحب (حفظ الله تعالى) کو اعتماد میں لے کر اصلاحات (عین اسلامی) کرے گا تو میعاد حکومت (پانچ سال) پوری کرے گا ورنہ نہیں کر پائے گا اور الٹا تباہ و برباد بھی ہوگا اور ساتھ ساتھ میں ملک و قوم کو بھی نقصان پہنچائے گا۔ واللہ اعلم

Note: A statement of Mystic Personage(ولی الله), whom has strike upon Florence Hurricane (broke strength); sharing with all now.

Reconciliaion[تطبیق]

Well, expressing prominently itself by indicating towards "... takes into trust and do reforms ..." meant in every matter, social, economical etc concerned, shall be asked (inquired) Hudhrat Khadim Shah Shb(حفظ الله تعالى) also and whatsoever verdict or say opinion being issues or expresses, must be taken into consideration, and so this would strengthen the regime further, not meant detention or say alike punishment; it might result opposite (weaken). *DO THINK*

THE SULTAN

Since beginning, till silence (after Dec-2015 | Apr-2016), whether say tentative silent, as has to revealed some matters later on either (specifically Maktubat Nurriyah Vol.3), have talking about SULTAN, and also expressed on numerous places support to Former

President Syed Pervaiz Musharraf al-Hasani (May Allah Protects Him), and then after emergence of TLP, to them.

Maktubat Nurriyah | Vol.1-Pg.66

Still remembered well, after leaving OFFICE (2008), former President has expressed, in following words, “[Mafhoom(مفہوم)]... lets follow QURAN & SUNNAH ...”, and might be due to that being picked, from Heavens. Allah knows all the best.

Whereas, about pevious MAIL illumination so it was afterwards, in 2012; hence following since due to reason. However doesn't wants to hurt neither enforcing, if wants to aside then its upto HIM. Our praises for his betterment and recovery will be remained present.

Maktubat Nurriyah | Vol.1-pg.83

Some posts, revealing support to TLP, and then end results of GE-2018, Pakistan, at which Hudhrat Masood Shah al-Hussaiyni (حفظ اللہ تعالیٰ).

Reconciliaion[تطبیق]

O'Dea, it is very simple, though complexive in nature either, but will try to explain it into convenient manner, so that understandable for all. That is, a FATE has been revealed by The Saints[اولیاء اللہ], and which is also been examined by all MUSLIMS around the WORLD,

that specially Muslims-Pakistan tried best to bring ISLAMIC SYSTEM but failed, therefore shall be patient and tolerable, as to whom hands this blessed service is being written, would be definitely done by His Blessed Hands, that is SULTAN SALIM KHAN IV (حفظ الله تعالى). It is among the responsibility of SULTAN, deployment of subordinates hence Former President Pervaiz Musharraf's coming once again into reign seems clearly through it (said to him, if people didn't brought you into reign then you will be deployed; see Fmr. Pres. Musharraf's meeting with Sultan Awliyah). However emergence itself isn't happened yet, though The Saints [اولياء الله] has given the date also, therefore shall awaits till its coming/arrival. **Second**, it will be like chained reaction, that if one ignite and blast then others will explodes respectively one by one, and this is what actually meant by Sultan Awliyah Imam Muhammad Nazim Adil al-Geylani al-Kibrisi (قدس سره العزيز) into one of his famous predictions; video available on YT. **Third**, for instance, if TLP won (as you revealed through sources, that were leading) then how would reconcile it? Well in that case, first we urged them to do reforms into all PROCEDURES (Present Un-Islamic System) according to ISLAMIC SULTANATE Procedure, and then wait for His Highness Emergence; though such reforms will also be considered from HIS HIGHNESS spiritual assistance, and so it would be not against already explained chained reaction example also. **Fourth**, what about present regime (Pakistan)? Well, as mentioned not goes against them, and are most welcome, but their nature is SECULAR (PTI is Secular-Liberal Minded Party, nor Religious) and friendly to KHARJISM, including one in TURKEY, that's why not expectable.

Note: Hudhrat Masood Shah Shb (حفظ الله تعالى) 2/3 Yrs, whereas Waliullah (حفظ الله تعالى) saying citing 2/3yrs otherwise complete tenure (5yrs) is also not contradictory, contrary, depicting clearly, either emergence is after 2/3yrs otherwise 5yrs, depends upon taking, Imam Khadim Shah Rizvi, into trust, by present Regime, for reforms according to ISLAM. والله اعلم

All Regimes Will Collapsed

AN APOLOGY

Muslims, specially in PAKISTAN, are hereby to remain peaceful and calm, and wait for the emergence of awaited personage, and avoids unnecessary gatherings for irrelevant matters, even of ISLAMIC CREED, as when they are going to be resolved soon, then shall awaits till MUSLIM SWORD arrival.

Second, Faqeer Bukhari(غفرله) likes to express apology to all, specially MILITARY, if Knowledgeable[علماء] hard words really hurts, whereas pardoning is above, and so shall be acquired already, besides showing strength in retaliation (anger etc.) upon own unarmed peaceful Muslims; it would be much better if being listened and do accordingly rather than goes aggressive, because hard FATE is coming or might be upon us. SUPPLEMENT

O'Dea, only SAINTS[اولياء الله] could define or explains or indicate previous statements or mentionings or sayings of earlier SAINTS[اولياء الله] about present ongoing or future happenings into other words say *occurrence of event(s), due to stiffness upon right path of ISLAM; practicing creed & acts accordingly. In worldly aspect, just like doctors could understand MEDICAL terminologies, similarly engineers could only understand ENGINEERING terminologies to define it rightly, and so on forth.

Note[*]: A little complex matter, because also it's under FATE[تقدير], and we should kept firm belief, whatsoever it would be (Right or Wrong | *Good or Bad*), rather than going into its subject.

Second, in QASEEDAH NAIMATULLAH SHAH WALI, mentioning of SHAH GHARBI[شاه غربی], hence it could be the title* of upcoming revival of ISLAMIC EMPIRE Sultan[سلطان] or Sultans[سلطين] or it can be related to any single or more personage(s) title, who reign only at HIND, even it could be the title of only remaining one CALIPH, as per one interpretation, before IMAM MAHDI Muhammad Bin Abd'allah al-Hasani(رضى الله عنه). والله اعلم

Note[*]: By GHARB[غرب], usually meant or it was indicated towards Bilad al-Maghreb[بلاد المغرب] by Notables & Knowledgeable[علماء ومشائخ], as explain earlier too, hence SHAH GHARBI[شاه غربی] can be the title of either awaiting or any upcoming Caliph[خليفة], Sultan[سلطان] or Emir[امير] too, والله اعلم. **Second**, Just like Remesis[فرعون] was the title of Egyptian Empire Emperors, and Sultan Salim Khan was among the title of Ottoman Empire Emperors, similarly Tsars were the title of Russian Empire Emperors and so on forth.

Footnote: In the time of Sidna Hudhrat Moosa(علي نبينا عليه الصلوة والسلام), Remesis IV was at reign.

Third, faqeer bukhari(غفرله) knew that presently nobody knows what sort of reforms being said by Knowledgeable[علماء] or says some good sighted possessing personnel expressing, meant all knew some but not all including SYSTEM, in upcoming work try to illuminate completely in proper and understandable manner.

Note: Explaining isn't a matter, but whose ready to implement is a biggest question of our time, as all are refusing or say you'll see present thousands of lame excuses in taking right step; including into PAKISTAN too.

These are few articles, written during the ongoing confrontation, 2019[1440h], between two old arch rivals, Pakistan and India, since their independence from British Empire in 1947. The conflict isn't ends yet, and might be escalate further into more devastating conflict if attacking side wouldn't stopped, as restraining side is just tolerating and expressing peaceful behavior; meant only defending. Is this confrontation a BATTLE of HIND, an awaited glad tiding as depicting by some Mystic Personages (though has been fulfilled previously either, according to Knowledgeable), and also a HONOR for Muslims in both universes, these few articles were actually written down to illuminate. جزاك الله

INDO-PAK CONFRONTATION

Ongoing

"... I wanted to fight, but could not fight, because Muslims aren't fulfilling initial or say core criteria which is ISLAMIC SYSTEM (Quran & Sunnah) at State Level, making it either Caliphate or Sultanate ..."

tanzeel **SHAH HUSSAIYN** al-gharbi (غفرله)

A confrontation has been started between PAKISTAN and INDIA, old arch rivals since their independence from British Empire, though both are still Empire's Indirect Slaves; as practicing obsolete system and its colonial laws. What are the reasons, and where this would goes, isn't hard to predict, especially since popularity of QASEEDAH NAIMATULLAH SHAH WALI, over or say via internet.

RELIGIOUS OR NON-RELIGIOUS

The battle is not of religious in nature, contrary is only of interests (retaining power), as both sides facing deterioration, in context of practicing obsolete system or say British System is actually losing grip, hence to maintain its grip over people to kept them slave, this confrontation has been initiated. In PAKISTAN, military backed regime, is facing terrible humiliation and so weakening (unable to sustaining grip), whereas in INDIA, same problem, that present regime is also facing humiliation and so becoming weak (wanted to regain the power), hence providing opportunity to both to restrain it (filthy western parliamentary democracy).

BATTLE of HIND [غزوة الهند]

Until or unless, Muslims around the world, particularly in PAKISTAN, didn't brought Islamic System (religious people in POWER), that is either ISLAMIC CALIPHATE or SULTANATE, will face humiliation meant loosing battles, even the won battle (returning of POW). In 1965, if one looks closely, than besides winning it, Muslims actually lost it, as are very close to conquering Delhi, but then being called back or say had retreated towards already drawn border line, in other words, BAB

al-FATAH[باب الفتح], didn't opened on that time, and neither this point was understood by then military regime, hence rather than expanding (gaining areas), started shrinking (loosing areas); even since independence (J&K wasn't given to us). If one say, how did you elaborate that Muslims has lost, spiritual assistance has came on that time? **Answer:** No doubt, it came and so it was actually theirs miracles (SAINTS), nor Military's upper hand (فوج کا کوئی خاص کمال نہیں تھا), and it is already being told that STATE is alike COIN, and SAINTS have to preserve it (when it was chosen for ISLAM's Revival), or say naturally when you protect COIN, it's both sides would be saved (Head and Tail | *Right System or say False System*); meant even though we weren't practicing ISLAMIC LAWS and SYSTEM on that time (1965) also, but as STATE was founded for ISLAM, therefore it would be protected, in real if one's wants to know then do remembers, it was preserving for SHAH GHARBI. Second, Battle of Hind wasn't fight on INDIAN Soil first, contrary else. **Third**, do not enumerate from Faqeer Bukhari's Qaseedah Battle of Hind, that battle has been started, contrary in light of Qaseedah, we are presently at following stanza,

وہ سنی مسلم آئے گا، نظام محمد (صلی اللہ علیہ وسلم) لائے گا – ہر جا کا منشاء ہوگا پھر، یوں دین کو نمایاں کر دیں گے

*Wo Sunni Muslim Aa'ey Ga, Nizam'e Muhammed (صلی اللہ علیہ وسلم) La'ey Ga
Har Ja Man'sha Hoga Phir, Yun Deen Ko Numa'yan Kerdaiyn Gay*

[Eng. Trans.: That Muslim of Sunnah will comes, brings Islamic System – And then it will becomes order of every Country, will prominent the religion]
(قصائد الغریبہ؛ غزوۃ الہند)

WAVES

Faqeer Bukhari is expecting Second and then Third, even Fourth waves of assault from INDIA, and let see how PAKISTAN will respond, as lacking into every depart, resources wise as well as diplomatically. Remember, mentioning into Qasaid al-Gharbiyyah[قصائد الغریبہ], under Battle of Hind's subtitle, "a Silent March has just begun", thus every step is defined into proper and logical manner, depicting criteria therefore until it wouldn't happened accordingly (fulfilled) do not expect any glory, contrary a tremendous humiliation might comes, only because we prevented ISLAM to reign at STATE LEVEL, thus ready to face its consequences.

چھائی بدلی کالی ہے، مت دیکھو یہ رت والی ہے – اس ظلمت سے نہ اے گھبرا، کلمے سے اجالا کر دیں گے

[Eng. Trans.: The coverage of darkness, has turned luck into like black night – O' you do not be afraid from, as will lighten it through Kalimah Tayyibah]
(قصائد الغریبہ؛ غزوۃ الہند)

ADVICE

For **PAKISTAN**, only choice left for regime is to release Imam Khadim Shah Ridhavi (حفظ اللہ تعالیٰ), and then do accordingly (reforms) as per guidance given by Hudhrat Shb (حفظ اللہ تعالیٰ), in all matters, not any particular (See also Maktubaat Nuriyyah Vol.3-Pg.103 | *Tenth Subject*). For **INDIA**, deploy Military at POLLING Station, besides wasting them into battle, and then brought whatever results you wanted, alike we do in G.E 2018, World Class Rigging, assisted by Military, as justice didn't exists anywhere, presently and nobody has strength neither can prevent doing injustices and

so on forth; definitely you cannot stand before GUN, to encounter it you must be weaponry also.

Muslims, in Pakistan particularly, shall remained silent and let this filthy western parliamentary democracy fight this battle, however when Military failing to defend, meant loosing soldiers on ground, then to preserving motherland for upcoming SHAH GHARBI[شاه غریبی], comes on ground, as humiliation and failures are confirm, meant do not expect success neither any sort of gains, only because present regime is not Religious, contrary Secular or Liberal in nature, thus will never and so aren't behaving (responding) rightly (in any manner, Islamic neither Logically), and moreover aren't eligible nor visionary, that they will stands for ISLAM and then PAKISTAN; until or unless wouldn't do above.

PAKISTAN IS AT WAR ... !

Ongoing Confrontation

“... Battle of Hind[غزوة الهند] is Offensive in nature not defensive, as presently, not fulfilling criteria of Islamic System (حامي دين محمد ﷺ؛ يعنى شاه غریبی) first, then lacking in resources on second place (کج (شمالی؛ استمداد), etc. ...”

tanzeel **SHAH HUSSAIYN** al-gharbi (غفرلہ)

Well, nobody is denying the physical efforts being did by MUSLIMS, but why one could not understanding or say seeing physically that even having such capabilities, still unable to succeed, for instance in 1965 Battle, Military along with common Muslims, reached very closed to Delhi (400km away), but rather than conquering it contrary had left the captured area also, is it a lost or victory? Similarly, in current battle, returning of POW (Wing Commander) without having any confirmation of end of war as well as exchanges etc, and secondly allowing enemy to infiltrate

besides destroying it (Indian Submarine); hence let see what further mishaps or say blunders being did by AUTHORITIES, as already done* initially two. **والله اعلم**

Note[*]: It is both, Islamic as well as Militarily. Do Think

Faqeer isn't a ENEMY of present Military backed Regime, but if someone or say all are enemy of themselves and wanted to fell into destruction, rather than acquiring constructive steps (must be under Quran & Sunnah) for betterment and prosperity of Muslims State and People, seems clearly a suicidal and nothing else, though still door of repentance is open and one or say all could returned back, meant allow ISLAM at State Level, nor Secularism or Liberalism, because being a Muslims, none can gain success neither convince ALLAH (سبحانه) and His RASOOL (ﷺ), here and hereafter, by practicing Un-Islamic Faith and Acts (including SYSTEM).

A Grace or Deception ...? When sees death upon head or say coming to fight, we all went towards raising slogan "ALLAHU AKBAR [الله اكبر]" or start reminding (Islam) or said it is part of our belief, but whenever asked to practice "ALLAHU AKBAR [الله اكبر]" at all level, including STATE specifically, then why not one comes forward for it or takes positive/bold step, especially in MILITARY, contrary everyone started presenting thousands of lame excuses, whereas when unarmed and peaceful Muslims raised (voice for ISLAMIC SYSTEM) and then stand for it, rather than allowing them (saying LABBAYK [لبيك]), contrary being threatened, betrayed, detained, slain etc., now what would you call it? Do you think ALLAH (سبحانه) didn't knows or seeing all that, معاذ الله. Or what one is thinking that Muslims alike Animals (as we cannot understand their language besides expressions), don't have anyone to listened theirs cry, contrary alike Animals, Muslims have also a listener (stipulation of our faith), who listens everyone's cry, and that's what Muslims has did, called ALLAH and His RASOOL (ﷺ), and Alhamdulillah [الحمد لله], extortion being faced by MUSLIMS, has been compensating, therefore still AUTHORITIES have chance before strict grasp comes towards them, and left no chance nor choice besides drowning through hellfire hence shall repent and do justice (particularly released detained Knowledgeable), May Allah grant all of us guidance and saved us from punishment.

Note: It is already mentioned into Qaseedah Naimatullah Shah, as well as present SAINTS has also expressed that punishment would comes first, and then relief or say mercies. **والله اعلم**

However, response is inevitable either, already mentioned into our early work, although as not fulfilling criteria hence it is not* a Battle Of Hind [غزوة الهند], though presently shall or say must took advises from His Highness Master Syed Zaid Hamid Shah Geylani (حفظ الله تعالى), a well trained and battle hardened soldier of UMMAH [أمة], otherwise by not doing so, may face tremendous humiliation as well as losses, which would be only recovered then, though obviously, by SHAH GHARBI [شاه غربي]. **والله اعلم**

Note[*]: Faqeer is not saying this, without getting verification through SAINTS. **والله اعلم**

By saying that MUSLIMS shall be silent, so must continues ZIKR [ذكر], posting here especially, and let the democracy sees or say examines this WAR, whether they succeed or failed. However, again mentioning that, if examining severe destruction or says setback (losses), then comes on ground to preserve PAKISTAN for SHAH GHARBI [شاه غربي] ...!

Note: Also mentioned this already into our early work, that has been given spiritually under their COMMAND, whereas let see when appears physically to takeover. واللّٰهُ اعلم

This is to hereby inform all MUSLIMS around the world that please do strive for your lost glory and pride that is laid under ISLAMIC CALIPHATE or SULTANATE otherwise destruction would come continuously or tentatively upon us, as we are facing since fall of an OTTOMAN EMPIRE.

EXPECTABLE MORE

Ongoing Confrontation

“...If one asked faqeer al-gharbi (غفرله), can you fire a shot through pistol, ak47, LMG, Tank, etc. or can you fly JF17, F16, etc. or can you operate warships, corvette, submarine etc., even can you do intelligence job, then surely replied **NO**, however will asked in return to before, that could you destroyed 400-500Km widespread circulating clouds storm (Hurricane) in one second or brought above 6 to 9 magnitude earthquake onto numerous cities (regions | *At Large Scale*) at one time through your guns, jets, ships in one second or less, then definitely answer would be **NO**, hence compares yourself the difference between strength or say capabilities of possessing only physical and both, physical and spiritual ...”

tanzeel **SHAH HUSSAIYN** al-gharbi (غفرله)

This is a third article in series, subtitling it “Ongoing Confrontation”, for citing conflict, 1440H(2019), between two old arch rivals since their independence, both ideological, though one is by name (Pakistan | *Islamic*) whereas another was indirect (Secular | *Hindu Zionist*).

BATTLE

Matter of FATE, hence shall be belief and accept, whatsoever it is, although by saying that it is not BATTLE of HIND, is due to not fulfilling/meeting its criteria or say FATE has been not ordered yet, otherwise it might be, because this can be happened in FUTURE again (repetition of events), if present ongoing stretching is stopped somehow (Dramatically | *Proving fighting for saving obsolete British system*), otherwise if goes to extreme, then might be it will turned into it. واللّٰهُ اعلم

Note: Battle of Hind, is pure religious battle and it is for ISLAM (meant Sidna Muhammad Rasool Allah[صلی اللہ علیہ وسلم]), hence would be lead and fought by Muslims, practicing and standing firmly for religion ISLAM, it has nothing to do with Secularism, Liberalism, Democracy, Socialism, or British System

etc., nor it will be fight by secular or liberal minded people whom had nothing to do neither they will ever stand for religion ISLAM, until or unless wouldn't granted repentance from ALLAH (سبحانه).

Second, still in good gesture, advising all that shall open-up eyes, might be it is a punishment, hence we are again providing protection, however but that protection is stipulated, hence should listen to DERVISHES[فقراء] otherwise Nation and its blind System choice (destruction) ...!

CAPABILITIES

Debate could goes long, or even endless, but citing one more point, that in terms of capabilities, no doubt being MUSLIM, add some further strength (fringe benefits), as being promised by ALLAH (سبحانه) to this UMMAH[أمة], even though questions remained at its place, then why failing to save ailing UMMAH[أمة], even facing continuous strikes from ENEMY(s). Take a look for while our own self, rather than talking about rest or say else Muslims States, that is since independence (1947 | *Pakistan*) loosing rather than gaining, J&K, East Pakistan, Siachen and so further is expectable, and still not learning neither repenting, meant returning towards ISLAMIC SYSTEM. Being a Muslim, it doesn't matter neither would made any impact, that having capability into any particular or more than one particular department gives/provides any sort of UPPER HAND, until or unless we didn't fulfills the core criteria, hence seems not that inspiring ...! Impeding here and will see whether to discuss it further or just left. والله اعلم

Note: If are so proud upon present limited strength (though it will be in time of SHAH GHABI either but that would be enough to conquer HIND; from TIBET to LANKA and KABUL to RANGOON ... :-)), then do one thing, go and takeover DELHI and made it PAKISTAN's second Capital, will accept your SECULARISM or LIBERALISM as valid path, but without using any religious INTENTION (Martyrdom) or SLOGAN, like ALLAHU AKBAR[الله أكبر] etc, because then it would be the RELIGION you are using thus don't deceived MUSLIMS around the world ... !

AWAITING

Well citing continuously about SHAH GHARBI[شاه غربي], whereas on other hand urging/advising to bring ISLAMIC SYSTEM, hence one can ask when being written in FATE for SHAH GHARBI[شاه غربي] and we (Muslims) have been failed either, then why so eager, anxious etc. or enlightening it too much? **Answer:** It would be much better if we decorate our STATE before arrival of SULTAN ISLAM, because it would be less effort and bloody compares to by not doing so or bringing hurdles into its implementation (alike did in G.E 2018 | *Pakistan*) could cause severe. **Second**, rather than wasting the time if we have started decoration then might be possible SULTAN ISLAM[سلطان اسلام] will emerged, otherwise it will delayed the FATE; as already seem. **Third**, by not doing so, and as we didn't do either, then SULTAN ISLAM[سلطان اسلام] has to decorate it. Just like we decorate our homes for family gathering, parties etc. before arrivals of guests, otherwise sometimes it happened that guests arrived and nothing arranged or contrary arrangements were under progress thus they also start participating (though all decoration was arranged for their fascination and comfort).

Note: Matter of FATE, although has mentioned this either after 2/3 yrs or 5yrs, hence leaving as it would be much better to belief and accept whatsoever it is rather than going into its complexities. والله اعلم

[Eng. Trans.: That Muslim of Sunnah will comes, brings Islamic System – And then it will becomes order of every Country, will prominent the religion]

(قصائد الغربیہ؛ غزوۃ الہند)

JUSTICE or DECEPTION

A person that was entered into Pakistani Territory to KILL, has been released without any single trial or asking from common Muslims, whereas all were demanding detention otherwise exchange or some sort of trial, but wouldn't happened anything or it has been listened by Military backed Regime, whereas a personage asking for ISLAMIC SYSTEM (reforms), unarmed and peaceful (even disabled | *Now whereas is all humanity*), including punishment to convicted criminal, that has confessed her crime, but rather than doing so, has been detained unjustly and unfairly. Isn't this is a sign of Kharjism, that they will left Polytheist and will kills Muslims (large number of Muslims has raised Martyrdom in matter of defending Honor & Finality of Sidna Muhammad Rasool Allah (صلی اللہ علیہ وسلم), since independence of Pakistan till up to today). Allah knows all the best.

Note: In Urdu, we said, "Ganga is flowing reversely [الٹی کٹنگا بہہ رہی ہے]". Second, all PAF Pilots shall be detained and then persecuted, because going against HUMANITY, by destroying opponent JETS (including killing their pilots) ... Isn't this against HUMANITY or a TERRORISM, if Muslims demanding peacefully, ISLAMIC SYSTEM at STATE level, being indicating as TERRORISM. Do Think

FOR ENEMIES

Don't under estimate the strength, because when it comes upon our nerves or say neck, in other words, becomes matter of life and death, then definitely we'll [Dervishes (فقراء)] appears to SAVE PAKISTAN for which it has been founded, that is ISLAM (Caliphate or Sultanate | *Revival*), however meanwhile keep fighting with western loving democracy forces, lead by secular or liberal minded people ... Well Master Zaid Hamid Shah Geylani (حفظ اللہ تعالیٰ) is so charismatic and passionate personage that one cannot leave behind when it comes to hardship upon or becoming battle hardened for PAKISTAN, therefore don't mess otherwise your wish or choice ...!

Note: For Muslims, see Maktubat Nurriyah Vol.3, Pg.19 & 20, جزاک اللہ. **Second (Advice)**, If Military failing to protect meant facing tremendous loss and wants support (from Public), then do one thing, though shall do it right now, release Imam Khadim Hussaiyn Shah al-Hanafi al-Ridhavi (حفظ اللہ تعالیٰ) at once, and then let us arranged Sit-Ins, on that time (After severe loss | *At Public Call*), all around

PAKISTAN, especially near BATTLE FRONTLINE, and then leave it upon DERVISHES[فقراء] to handle enemies, however Sit-Ins would be definitely lead by Imam Allama Khadim Hussaiyn Shah al-Hanafi al-Ridhavi (والله اعلم, حفظ الله تعالى).

FULFILLING CRITERIA ...?

Ongoing Confrontation

ہے مملکت ہند میں اک طرفہ تماشا – اسلام ہے مجوس، مسلمان ہے آزاد!

This is a fourth article in series, subtitling it “Ongoing Confrontation”, for citing conflict, 1440H(2019), between two old arch rivals since their independence, both ideological, though one is by name (Pakistan | Islamic) whereas another was indirect (Secular | Hindu Zionist). Second, this one isn't a encounter but indication towards a point(s) already revealed by Hon. & Resp. Master Zaid Hamid Shah Geylani (Hafidhallahu Taala), which naturally proving or say supporting our stance correctly, illuminated into earlier articles of this series. جزاک اللہ

BATTLE

Nobody doubts (شك) neither betraying (خیانت), to this land, regarding its honor, especially in regards for revival of ISLAM, besides few known people, whom continuing doing so and so either had or are delaying the FATE, otherwise ALLAH (الله) has given us a chance for alteration too but it has been ignored, meant seems clearly not accepted implying rejected, and all knew its whole reality besides us. About blessed sayings, so do remember they will be mislead if not interpret properly, meant has to look by other sayings in same regards or defining religion stipulations, and so it is also presented either. Here illuminating via only two and that is one citing the IMAMET (خليفة) (احياء دين كرنے والے) and another is REVIVALIST (اسلام يا سلطان اسلام يا امير اسلام). And so presently, both are absent at STATE level (nearly in all Muslim World, rather than talking about Pakistan only), though personages can be said present among us (fulfilling CRITERIA | *Completely or Partially*), but not appeared yet or say are in REIGN, therefore cannot say that BATTLE of HIND has been initiated*. However respond is inevitable, though being given partially not completely which has to be given in real otherwise will definitely face vis-a-vis situation. *Do Think*

Note[*]: Repetition of events is possible, therefore be calm, and Muslims should not be get so enthusiastic, contrary shall study first or look whether criteria, is fulfilling or not ...?

Remembers, until or unless criteria wouldn't be met, it will remained a conflict alike previous, nor a Battle of Hind, because it is little different, in all aspects. Intention will benefit, but its real execution or say occurrence will happens when it's all prerequisites being fulfilled. For instance, Islam's stipulation is faith, first of all and core (most important) is Kalimah Tayyibah (لَا إِلَهَ إِلَّا اللَّهُ مُحَمَّدٌ رَسُولُ اللَّهِ), not prayer neither else worships (They are secondary | *After belief & faith*). Similarly, alike being said about conquering of Bait al-Maqdus [بيت المقدس], by Muslims into Blessed Sayings, which has been fulfilled by twice, Sidna Umar al-Farooq al-Azam (رضي الله عنه) and Sultan Salahuddin al-Ayyubi al-Shafaei al-Qadiri (قدس سره العزیز), whereas another was said before resurrection day (آخره یعنی) (قرب قیامت سے پہلے) is also being stipulated, and that is by Sidna Hudhrat Yousuf "Ruhullah" (عليه الصلوة)

(والسلام) which is also stipulated with emergence of Imam Mahdi Muhammad Bin Abd'Allah al-Hasani (رضى الله عنه) appearance before, and his some battles that would be finally being fought near Bait al-Maqdus [بيت المقدس], where DAJJAL [دجال] will appear and so Sidna Hudhrat Yousuf (عليه الصلوة والسلام) will also send (comes from Sky at Sidna Hudhrat Jibrail Amin (عليه السلام) wings), and then all will conquer it together once again after killing DAJJAL [دجال] at Bab al-Ludd [باب لُد]. Hence debate goes long because then thousands of examples could be present alike for same regards, therefore impeding here for while, as enough for one to understand otherwise whole flood would be insufficient if being flown.

Note: Alike Salt is a must for SALAN [سالن] to be tasteful otherwise becomes eatable for only ill person (as being sometimes instructed by DOCTORS | *Avoid SALT in food*). **Second**, Knowledgeable says, that both signs will happened closely, however DAJJAL will appear firstly, and then Sidna Hudhrat Yousuf (عليه الصلوة والسلام) would be send latter for its removal (فتنه دجال). والله اعلم.

QASEEDAH NAIMATULLAH SHAH WALI

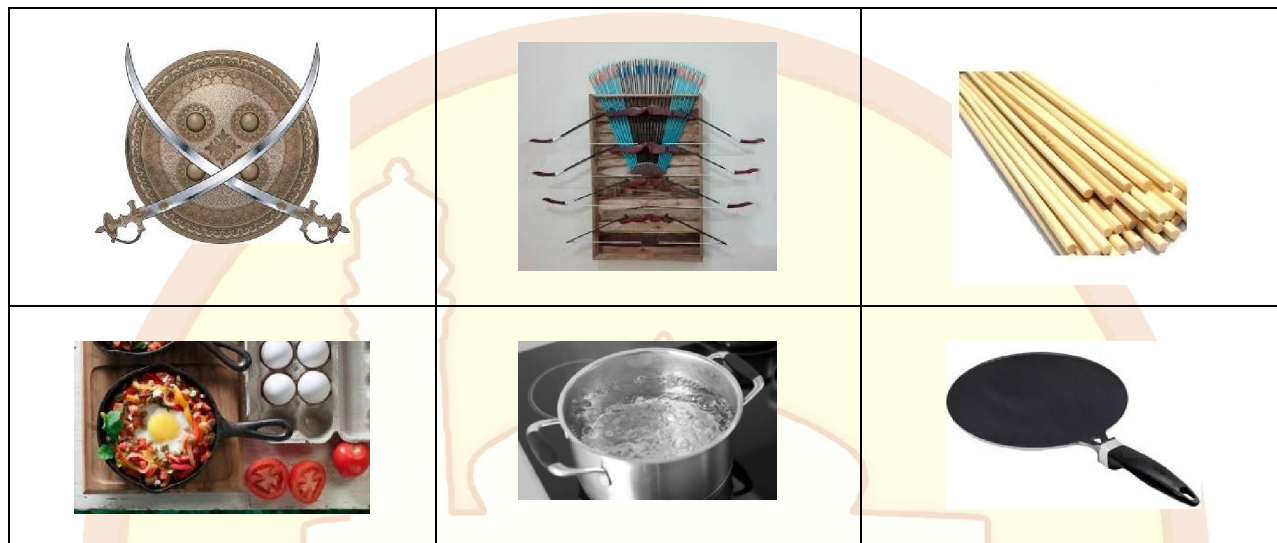

Few stanzas depict everything clearly or say supporting these articles, one citing SHAH GHARBI [شاه غربي] whereas another is "If eager that all this or would happen quickly then comes towards ISLAMIC teachings & practices" whereas advising to "to left the British System". Discuss them later whereas indication is enough for one to reach precisely into Qaseedah [قصيده], see there. جزاك الله.

Note: Qaseedah Naimatullah Shah Wali is actually an interpretation of Blessed Sayings regarding signs of last eras specifically, and many of its prediction has been fulfilled depicting clearly that rest will also be going true, انشاء الله ورسوله, therefore one shouldn't be perplexed neither divert, contrary shall joined or align the statements of SAINTS [اولياء الله], must with its available stanzas (besides the matter that Qaseedah itself is seems incomplete | *As it is not completely available to us*), and then one will finds tremendous resemblance otherwise if seems colliding then either the statement is misunderstood or there is some problem into seer intuition; even possible that teller (foreteller) is irreligious (بد عقيدة؛ يعنى دين كى توبين كررباى). Allah knows all the best

SOME POINTS from PREVIOUS ARTICLE

Here would like to clarify some points written into previous article, so that may not take incorrectly. **QUOTE[1st]:** In quote, we meant followings, "اے عزیز، بلکہ نہ سمجھو روحانی قوتوں کو، یہ زیادہ"، "قوی ہوتی ہیں ظاہری سے", second it is indicated towards alignment, meant until or unless both wouldn't aligned together, properly and rightly, we remained scattered as right now, and third shall kept our Maktubat Nurriyah Vol.2-Pg.51, interpretation before, which has been cited from al-Ibriz. **BATTLE[2nd]:** By "if goes to extreme, then might be it will turned into it", actually indicating towards that or say speculation, may be Sultan will emerges and so comes to PAKISTAN, which implies the alteration of SYSTEM also; as already present among us, being revealed by SULTAN al-AWLIYAH (قدس سرہ العزیز), see Maktubat al-Nurriyah Vol.3-Pg.103 & 108. **AWAITING[3rd]:** Well, little complex matter, especially two cited at Mukatubat Nurriyah Vol.3-Pg.26, and then another explained at Mukatubat Nurriyah Vol.3-Pg.104 into some details by reconciling them with those two at Pg.26. Reconciling is not difficult, but shall be better if we kept faith upon FATE [تقدیر], and refrained from its revealing of or going into its complexities. **DECEPTION[4th]:** Isn't there any sensible personnel, whether military or civilian, analyzing these points closely or say monitoring that what is going, total deception and nothing else. **ENEMIES[5th]:** Still on faqeer's stance, that as

we didn't fulfill the criteria, our (Dervishes[فقراء]) appearance would be for preserving PAKISTAN hence would not be Battle of Hind, however if given authority (or situation granted opportunity) then might be turned it into Battle of Hind, otherwise it wouldn't be, for which MUSLIMS are waiting since very long time, at least since 2011, we started to revealing via writings some foretells. Allah knows all the best. **Second**, about coming fully armed, so it is following or say our weapons will be mostly following:

For details, see Muslim World Post (www.muslimsufiray.weebly.com | *The Qadri Sword Team Official Blog-Site*). جزاك الله

REGIME

Present regime has expressed before elections, that we are not religious political party, then what other status is being left either secular or liberal or else, hence do you think, they will going to stand for RELIGION ISLAM and its based upon founded STATE, although not going to some of their statements depicting clearly their status (Secular or Liberal), however door of repentance is opened, and it can be acquired, though it is not by words saying "ASTAGHFIRULLAH[استغفر الله]" only, but also meant that SIN shall not be repeated or meant left at once upon indication and then one's repentance is being said completed, see TASAWWUF[تصوف] Books or asks Knowledgeable.

Note: Whomsoever being chosen, until or unless wouldn't forward or say transferred it to else, remained intact with him/her, hence if we look in the light of Blessed Sohbah, so been awarded to Fmr. Pres. Gen. (Retd.) Pervaiz Musharraf, however Allah knows better that whether it is CHANGEABLE or UNCHANGEABLE fate, for more details see Maktubat Nurriyah Vol.3-Pg.104? Therefore based upon intention or say implementation of Quran & Sunnah according to right interpretation, being did by Gracious Notables & Knowledgeable[علماء ومشايخ] of Islam[اهل السنة], if being did by present regime, otherwise it will be hanging sword upon neck. Impeding here for while, and discuss it later if feels necessary.

KHAN BABA (May Allah Protects Him)

Well, here you go, Khan Baba's revealing also assisting Faqeer's articles, enough for one to understand, if by reconciling it rightly, otherwise what we said by not doing so.

Ongoing Confrontation

“... Islam is before cast, nationalism, etc., whereas every relation is afterwards, as in grave you’ve been asked about FAITH, meant who is your RUBB[رب], and then what is your DEEN[دين], and finally what did you said (possessed faith) about personage being sent towards you, hence there is no question being asked about your cast or nationality; hence Muslim replied following, my RUBB[رب] is ALLAH, whereas my DEEN[دين] is ISLAM and yes MUHAMMAD is RASOOLULLAH[صلی اللہ علیہ وسلم]. Hence Muslims around the world shall strive for ISLAM into all departs of life, including SYSTEM (Nizam’e Mustafa a.k.a Khilafat’e Rashidah)

tanzeel **SHAH HUSSAIYN** al-gharbi (غفرله)

This is a fifth article in series, subtitling it “Ongoing Confrontation”, for citing conflict, 1440H(2019), between two old arch rivals since their independence, both ideological, though one is by name (Pakistan | *Islamic*) whereas another was indirect (Secular | *Hindu Zionist*).

BATTLE

O’Dea, just like all previous, didn’t converted into BATTLE of HIND, contrary inflicted damages (loses compares to gains), similarly this one may be also same because MUSLIMS hadn’t converted the state into ISLAMIC CALIPHATE or SULTANATE, even into ISLAMIC EMIRATE, though it is only one night work, but we have witnessed that rather than doing religion have been prevented at STATE LEVEL. Whereas we often talks about or say present either glimpse or thorough of our history, especially Blessed Caliphs and Sultans, about their CONQUERINGS[فتوحات], outstanding and matchless, but always either forgot or surpass deliberately (meant ignore) a very vital or core point that theirs LAW wasn’t ROMAN or HUMAN MADE, contrary it was QURAN & SUNNAH, however whenever they (later ones) left the right path or say overruled it out (of their CHOICE | *Desires*) either have always collapsed, meant went into destruction. For more details read history books, and learn the factors especially. Allah knows all the best

About intention, alike blessed companion Hudhrat Abu-Hurrai’rah(رضی اللہ عنہ) has expressed (did); then nobody stopping, contrary shall do, but blessed companion(رضی اللہ عنہ) intention

weren't neither had expressed Un-Islamic Practices contrary seems clearly ISLAMIC (including System | *As It contained its Own*), then why don't Muslims first do intention of Quran & Sunnah based System, that is more vital and essential before going to battle. *Do Think*

SOME POINTS from PREVIOUS ARTICLES

Here presenting few points, picked from previous articles to reconciliation for better understanding. **First**, about being a war for saving democracy, in other words British System, then still it is clearly be seen, or say examined that nobody turning the STATE, into Religion based System State, particularly PAKISTAN, as it was founded upon ISLAM; for more details see previous interpretations[articles, books etc], جزاك الله. **Second**, would like to express that cited quote into third article is actually faqeer's mentor(s) spiritual assistance or say theirs miracles and nothing else, and it was also supported by present SAINTS[اولياء الله] to whom closed with. Allah knows all the best. **Third**, about Fmr. Pres. Pervaiz Musharraf glad tiding, so it is specifically for him and bind with stipulated(مشروط) with tying Muslims-Knowledgeable (علماء اهل السنه والجماعة), though it hadn't be fulfilled hence this will remained intact until or unless wouldn't either do alike or being changed (transferred to someone else), thus will be hanging[تقدير معلق]; though has been revealed either that SULTAN will deployed once emerged and took control. Allah knows all the best. **Fourth**, about positive steps, if one said you mentioned that will not go against present regime, then definitely will appreciate, but it shall be pure without any deception, meant not alike very famous URDU idiom[دودھ دیا مگر مینگنی بہرا، بیکار ہوتا، پیسے کا نہیں ہوتا], and unfortunately that is going on here, sadly.

STANCE

Faqeer Bukhari al-Gharbi(غفرلہ) isn't confused neither twisting nor deceiving anyone, contrary very cleared or firmly standing at previous explications, that this isn't a BATTLE of HIND currently, because missing crucial criteria(s); especially implementation of ISLAMIC SYSTEM (Quran & Sunnah). **Second**, neither foretell being fulfilled yet, revealed by Saints[اولياء الله] regarding SULTAN also, whom (May Allah Protects Him) has been chosen for revival of ISLAMIC EMPIRE (Ottoman | West), which includes glad tiding for conquering HIND[east], though it will be surely re-conquer in the time of IMAM MAHDI (رضی اللہ عنہ), if conquered before.

Note: There are complexities, because matter of FATE, therefore leaving details and would be much better to kept belief upon whatsoever status it possessed for all of us; some points have been revealed into previous articles, including Maktubat Nurriyah Vol.3 Pg.103 & 108, see there also, جزاك الله. Allah knows all the best.

However, it is inevitable upon Muslims, first kept silent meant doing ZIKR, and then afterwards, whenever heard that STATE becomes at stake meant upon very critical level, then emerged for preserving, as not only SPIRITUAL, but has to show or say expressed PHYSICAL strength either. جزاك الله

WEAPON

Well, one may say, showing of some traditional weapon along with food items and crockery is against quoted stanza of ALLAMA IQBAAL ...? **Answer:** In Two points. SWORD, BOW & ARROW, as well as even STICK, is an old or say obsolete weapon compares to present era modern weapon

(GUNS, JETS, SUBMARINE etc.); and we will bring or say presently could used them without training that's why showing. **Second**, against modern weapon (شمشیر یعنی اسلحہ (بتھیار)) we are bringing obsolete weapons specifically (توا وغیرہ بتکھ تلوار، تیرکمان بھی بے تیغ میں شمار) (ہونگے بامقابل بندوقوں، لڑاکا طیاروں، ابدوزوں کے؛ واللہ اعلم Think, as little bit sightedness is required to understand; whenever comparing specially.

کافر ہے تو شمشیر پہ کرتا ہے بھروسہ – مؤمن ہے تو بے تیغ بھی لڑتا ہے سپاہی

Kafir Hai Tow Shamsheer Pey Karta Hai Bharosa

Momin Hai Tow Bey-Teyg Larta Hai Sipahi

[Eng. Trans: He depends on the sword if he lacks in faith | If he has faith, he may need no weapons in the fight]

(علامہ اقبال)

Allah knows all the best.

KHAN BABA SPIRITUAL INTELLIGENCE

The sign of SAINTS[اولیاء اللہ], they will never goes neither will ever refute the practices of ISLAMIC Creed & Teachings, according to QURAN & SUNNAH, from individual to state level; whatsoever his or her level or say status, alike large scale organization contained chain of hierarchy, for better control and performance, similarly presents among SAINTS[اولیاء اللہ] too. Otherwise if ALLAH (سبحانہ) has to grant CROWN STATUS to whosoever without believing and practicing ISLAM (whereas it is Allah's Religion | *Only Acceptable*), then why need to sent or say importance being left for HOLY BOOK and PROPHETS(علیہم الصلوٰۃ والسلام)? **Second**, Knowledgeable has been said as HEIRS of Prophets(علیہم الصلوٰۃ والسلام), nor else (Sultans or Military or Traders etc.), which indicated clearly that they were already CROWNED, whosoever becomes from their GROUP (After learning | *Passing all steps*), which implies that Military is going to be soon becomes under Knowledgeable, meant formation of Knowledgeable Assembly[مجلس علماء(الشوری)], otherwise how could it be possible that ALLAH will goes against own sent right and valid path (includes System). **Third**, KHAN BABA's Statement itself, depicting prominently, as good changeover meant a repentance being going to granted to whole institution, انشاء اللہ, and that would be great and fantastic, for MUSLIMS around the world, suffering from filthy WESTERN or NORTHERN advised SYSTEMS (Laws especially). **Finally**, not only raising SLOGAN is enough, contrary has to be practicing, because we are going to spread ISLAM, not courage or strength only etc, thus presenting ISLAM upon every Non-Muslims is every Muslim responsibility (and reward-able too), whereas fulfilling its procedures (if one accept) is knowledgeable domain.

Note: That's why must knows essential steps of presenting and then after acceptance, for completion, otherwise must took newly embraced to before Knowledgeable[علماء]. واللہ اعلم

About Fmr. Pres. & Fmr. PM, so they have been given chances to prove them but seems clearly, and unfortunately they had also, even though one have been given extra strength (Fmr. Pres. A.A.Z), but failed to compliance, ISLAMIC Shariah[شریعت] & Tariqah[طریقہ], hence now faced the consequences.

Note: Like Doctor or Engineer could only understand their field terminologies and true for other fields, similarly QURAN & SUNNAH[قرآن والسنہ], could only be understand and so extracts LAWS by Knowledgeable only, hence until or unless Knowledgeable wouldn't be brought to Higher Level of Authority, beneath SULTAN[سلطان] or EMIR[امیر], we will remain out of reaching HONOR.

Knowledgeable, especially those whom have been detained (few remaining), were actually wanted to teach present regime the Islamic way of governance (all steps and procedures), especially wants to SAVE all Muslims, in Pakistan, from upcoming hardship (that is also laid under Baba Shb's Intelligence), but rather than doing so, they have been facing tremendous suppression, torture, etc. Now do you think, they are learners or will ever learn* ...?

Note: Haven't done Islamic Reforms yet, some necessary, and moreover in some matters they have went or going against ISLAM, thus are they learner or opposed. **Second**, there is another dangerous aspect of FATE present, which Khan Baba (حفظ الله تعالى) has refrained, otherwise could not denies its happening (or say occurrence) which presently we are hiding, however door of repentance is OPENED for all, not only Military, but also for Civilian Institutions of Government.

CORRECTION of ONE ITSELF

One may said why highlighting knowledgeable suppression, detention, torture, slain etc., representing through platform name TLP specially, when already said that you are consent upon the RESULT. Second, has mentioned wouldn't goes against present authority (Military backed Regime); seems contradictory? **Answer:** In two points only. **First**, if have someone more in knowledge than bring him at top, meant form Knowledgeable Assembly and made Him a *EMIR of ASSEMBLY, otherwise it is only due to knowledge being possessed by Imam Allama Khadim Hussain Shah al-Hanafi al-Ridhavi (حفظ الله تعالى) in all domains of RELIGION and its based SYSTEM, supporting. **Second**, not posting anything against Authorities alike large number of rest Muslims are doing, including Master Zaid Hamid Shah Geylani (حفظ الله تعالى), on their Social Network Accounts; contrary only and purely illuminating for reminder that BLUNDER over BLUNDER is been doing by all, and okay includes Whole Nation, besides few MUSLIMS (*Whom are aware or seeing upcoming FATE* | مشايخ وعلماء وفقراء), hence shall returned or say revised your actions before it was too late to understand or for returning, as have time and door of repentance is opened.

Note[*]: Muslim's State can be preside by anyone, must be loyal and patriot, however ASSEMBLY must be consisted upon Knowledgeable[علماء], for legislation (due to knowledge and expertise being possessed by them). However shall preferred Knowledgeable too for presiding, especially if one is fulfilling CRITERIA of eligibility in terms of faith, knowledge and cast, Allah knows all the best. **Second**, present authority will get rewards at their RIGHT decisions (All those which are cleaned from deception | *Contrary pure & justified*), whether being did knowingly or unknowingly in favor of ISLAM and its founded STATE, whereas upon WRONG decisions, so they will be responsible for all odds (consequences).

Again impeding here, and leaving some details in fear it will prolong our article, however sixth one is little bit uncertain (Depends upon condition | *Allah knows better*), and will going to add all our articles into Maktubat Nurriyah Vol.3 soon, as mentioned in previous article, though with supplement. انشاء الله

TESTS

Gain or Loss

Since independence in 1947, the nation has been tested numerously, but rather than succeeding been failed mostly in comparison, however always comes out from situation seeming that may fall this time (or say removed forever) and will not be able to recovers (or stand long). In light of SAINTS explications and foretells, it was founded for ISLAM, but sadly we have been failed to CONVERT (implement) it into ISLAMIC Emirate or State, contrary kept practicing (or say being imposed upon us | *A Trick By Former Rulers*) our former rulers system (including LAWS). May Allah grant us independence from it (slavery), آمين ثم آمين

FROM 2008 – 2018

Leaving or surpassing from 1947 till 2007, and highlighting only since 2008 till 2018, in regards of TESTS. **[2008]** In 2008, Zardari Admin was reigned in, and during their tenure NATION was tested from Foreign Backed Terrorism and then Conspiracy to finish some ISLAMIC LAWS. The before was encountered by Military due to Master Zaid Hamid Shah al-Geylani's Salvation, whereas latter was encountered (or say well defended by him upon his life sacrificial | *Islamic Laws*) by Ghazi Islam Malik Mumtaz Hussaiyn al-Qadiri (رحمت الله تعالى عليه). Though Zardari Admin given strength either but was very astonishing that they have wasted rather than accumulate it for ISLAM. **[2013]** In 2013, Mamnoon Hussaiyn Admin was came in, and during their tenure NATION was tested from once again Foreign Backed Intervention and then continuation of conspiracy to finish some ISLAMIC LAWS. The before was economically, alike it was also in tenure of previous regime, however things were taken to new heights, or say paved way for upcoming regime, if continued the same practices, so that it would becomes disastrous for STATE to stand economically. Whereas in regards of latter, sadly Ghazi Islam Malik Mumtaz Hussaiyn al-Qadiri (رحمت الله تعالى عليه) however after this setback it seems enemy may succeed, but Alhamdulillah [الحمد لله], a lion has emerged in defense of same regards, and thus Muslims around the world, not only in PAKISTAN, has witnessed the Faizabad Agitation, which was also spiritually protected (or say defended), being encountered by Knowledgeable under supervision of Imam Allama Khadim Hussaiyn Shah (حفظ الله تعالى) and Imam Muhammad Afdhal al-Hanafi al-Qadiri (حفظ الله تعالى). **[2018]** In 2018, once again NATION has been tested, once again though it was through very easy test, and Muslims have participated or say cooperated very well, but this time once again Muslims have been deceived marvelously and outclassed by System Controllers, and then another matter was brought at surface into which one innocent life had already being sacrificed himself (Ghazi Malik Mumtaz Qadiri), and justice was done yet contrary extortion was practicing continuously, and in its wake, knowledgeable along with common Muslims has been detained, unjustly and unfairly, though later nearly all were released gradually whereas few are still remaining.

Note: Matter of Honor and Finality of Sidna Muhammad Rasool Allah (ﷺ)

[PREVENT] However, since 2008, one thing is common that is ISLAM has been prevented at STATE level, besides by title, "ISLAMIC REPUBLIC OF PAKISTAN" which still written, and In-Sha Allah [انشاء الله], will be remained forever, especially till SHAH GHARBI [شاه غربي] time ...

[GAIN] Well, only thing we gain, is some capabilities, which none Muslim Country possessed, especially NUCLEAR Deterrence, otherwise in context of Weapon Development, TURKEY is far ahead, another Muslim Brother Country, compares to PAKISTAN ...

Finally, was thinking to unrevealed some SECRETS, but Muslims were deceived rather than given chance to reign in; though two have been told, and both are interlinked and stipulated. Because then matter of FATE would be different surely, however present regime has been given chance alike previous but they are also failing to compliance or say ignoring deliberately meant besides acquiring right measures, especially advises by Imam Allama Khadim Hussaiyn Shah al-Hanafi al-Ridhavi (حفظ الله تعالى), they are diverting; proof, have detained Knowledgeable rather than allowing them to provide assistance into REFORMS, towards its cause of foundation, and that is ISLAM (قرآن والسنة (اهلسنة ولجماعة – مذاهب اربعة)).

Note: See Maktubat Nurriyah Vol.3-Pg.13, mail (or say subject) titling, “Future of Pakistan”. جزاك الله
